A. Procurement Background

This Board Action is to approve Contract Nos. PS5862100LAPD24750, PS5863200LASD24750 and PS5862300LBPD24750 issued to provide law enforcement services to support bus and rail operations throughout the entire Metro transit system. Board approval of contract awards are subject to resolution of all properly submitted protests.

RFP No. PS24798 was issued as a competitively negotiated procurement in accordance with Metro's Acquisition Policy and the contract type is a firm fixed unit rate. The RFP clearly indicated that Metro may award the entire contract to a single Agency, to a partnership between agencies, or to an Agency located within a specific municipal jurisdiction. Hence, potential proposers were given the flexibility to submit proposals covering a specific territorial jurisdiction, multiple jurisdictions, or the entire Metro system. Further, no DBE contract goal was established for this procurement but Proposers were encouraged to utilize DBE certified firms whenever potential subcontracting opportunities are available.

Six amendments were issued during the solicitation phase of this RFP:

- Amendment No. 1, issued on February 24, 2016, provided electronic copies of the Planholders' List and pre-proposal conference materials, revised the submittal requirements for the Cost Proposal (Volume III), and extended the proposal due date;
- Amendment No. 2, issued on March 3, 2016, updated the Notary Public Acknowledgment section of the Proposal Letter (Pro Form 053), and revised Exhibit 4: Part A – Cost Proposal (Summary) and Exhibit 5 – Part A- Cost Proposal (Detail) to include the Expo Line Phase 2 stations and exclude duplicate stations;
- Amendment No. 3, issued on April 1, 2016, revised the final date for questions to align with the extension of the proposal due date, revised Exhibit 4: Part A – Cost Proposal (Summary) to clarify cost information to be provided, and invited potential proposers to a one-time site visit/job walk to tour selected Metro facilities that may be made available to the Contractor upon contract award;
- Amendment No. 4, issued on April 15, 2016, revised Exhibit 5: Part A – Cost Proposal (Detail) to align with changes to Exhibit 4: Part A: Cost Proposal (Summary) issued per Amendment No. 3;
- Amendment No. 5, issued on May 5, 2016, clarified the basis of selection and award and the evaluation process, and revised Exhibit 4: Part A – Cost Proposal (Summary) and Exhibit 5: Part A – Cost Proposal (Detail) to include a separate cost proposal table for management/supervisory staff; and
- Amendment No. 6, issued on May 17, 2016, provided electronic copies of the Site Visit/Job Walk sign-in sheet and agenda and materials provided.

A pre-proposal conference was held on February 18, 2016, and was attended by 23 participants representing 7 law enforcement agencies. The site visit/job walk was conducted on April 22, 2016 and was attended by 10 participants representing 2 law enforcement agencies. There were 27 questions received and responses were provided prior to the proposal due date.

A total of three proposals were received on May 27, 2016, and are listed below in alphabetical order:

1. Los Angeles County Sheriff's Department
2. Los Angeles Police Department
3. Long Beach Police Department

B. Evaluation of Proposals/Bids

A Proposal Evaluation Team (PET) consisting of staff from Metro's System Security and Law Enforcement, Risk Management, and Office of Management and Budget was convened and conducted a comprehensive technical evaluation of the proposals received.

The proposals were evaluated based on the following evaluation criteria and weights:

- Agency Qualifications and Capabilities 15 percent
- Experience and Capabilities of Key Personnel 15 percent
- Management Plan/Approach 45 percent
- Homeland Security and Emergency Preparedness 10 percent
- Cost Proposal 15 percent

The evaluation criteria are appropriate and consistent with criteria developed for law enforcement services procurements. Several factors were considered when developing these weights, giving the greatest importance to the Management Plan/Approach.

On May 31, 2016, the PET met to process confidentiality and conflict forms and take receipt of the three responsive proposals to initiate the evaluation phase. Evaluations were subsequently conducted and the PET determined that all three agencies were within the competitive range. Based on evaluation results, the PET deemed that it would be most advantageous to Metro to award contracts to all three law enforcement agencies based on best value. This alternative would increase law enforcement visibility, improve response time to calls for service, deter crime, reduce vulnerability to terrorism, maximize the use of free basic “911” services, enforce Metro’s Code of Conduct and reduce fare evasion. More importantly, this alternative is less cost prohibitive. In view thereof, the PET determined to commence negotiations without need for oral presentations with all three agencies.

1/ as a result of clarifications

The proposed aggregate amount of the three contracts in the amount of ~~\$526,585,832~~ **\$546,585,832** is greater than Metro’s independent cost estimate (ICE) because of the following factors:

1. unanticipated start-up costs for all 3 agencies;
2. supplemental services not provided in the statement of work which were found to be of significant benefit to Metro through discussions (e.g., Special Problems Unit and Threat Unit, Homeless Outreach and Mental Evaluation Teams etc.);
3. staffing adjustments in light of increasing threats associated with global terrorism and violent extremism; and
4. increase in estimated labor escalation rate to align with labor union contracts.
