\*\* Downey's South Downey SRTS project received partial funding of \$238,000 upon determination that amongst other LA County projects with the same application score, it could deliver its project using the partial ATP funds and City funds. Downey's Bike Share and Safety Education project received partial funding of \$180,000 following deliberation between two LA County projects. Downey's project was identified as a higher priority project due to its location in a disadvantaged community.
