**A. Small Business Participation**

The Diversity and Economic Opportunity Department (DEOD) established a 2% Disadvantaged Business Enterprise (DBE) goal for this indefinite delivery/indefinite quantity solicitation. Cummins, Inc. made a 0.65% DBE commitment and was required to submit Good Faith Efforts (GFE) towards meeting goal. Based on a review of the GFE, it was determined that Cummins, Inc. demonstrated adequate good faith efforts to achieve the 2% DBE goal as shipping costs were the only identified opportunity for DBEs.

In response to a specific Task Order request with a defined scope of work, the prime consultant will be required to identify the actual dollar value commitment for that Task Order. Overall DBE achievement in meeting the commitment will be determined based on cumulative DBE participation of all Task Orders awarded.
