- ➢ The teams cover each line for one week (Day watch and PM watch).
- ➢ After each week, the teams move on to the next line on the list.
- ➢ Once the 10 lines are completed, we will evaluate for next steps.
- ➢ Riders have been cooperative with fare compliance with less than six riders per watch existing the system due to no payment.

- ➢ The Genetec VMS will allow users to efficiently manage and prioritize events such as critical area protection, perimeter protection, unauthorized access, and persons of interest.
- ➢ We have dedicated 115 cameras, across five Red Line stations, into our BriefCam/Genetec platform to aid in identifying vandalism incidents on our system.
