

## Executive Summary – LIFE Survey

### Background

In February 2023, LA Metro conducted an online LIFE participant survey. The purpose of the survey was to help develop an advocacy plan for the fare program, specifically around free fares. The survey allowed LA Metro to collect qualitative information about the people who use the free fare program and visualize the impact of the program.

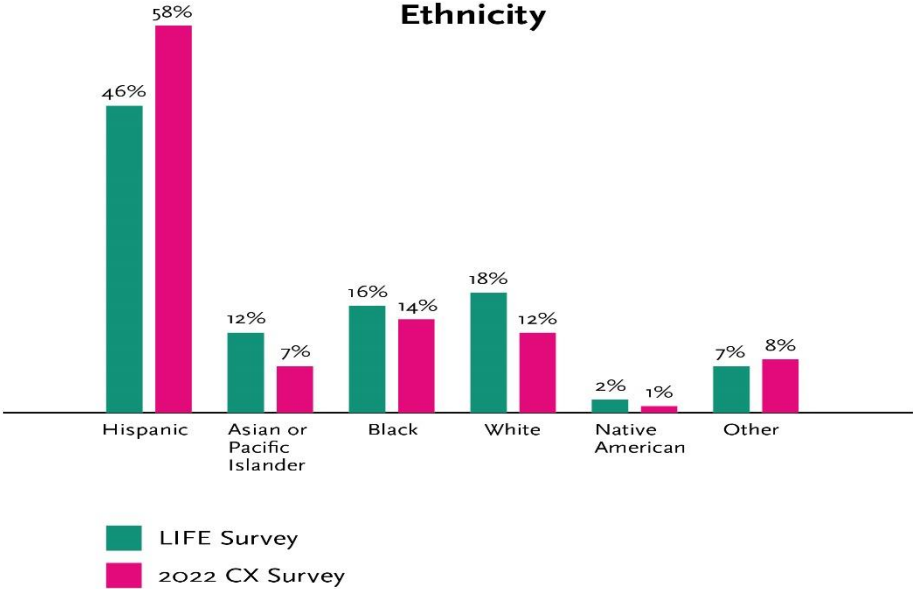

### Methodology

TAP sent out an online survey to 28.04k LIFE program participants who were eligible/are using 90 days of free fares. The survey was available in English and Spanish and was live for 10 days in February 2023. 1661 LIFE surveys were collected with a 41% response rate.

### Key Findings

- 50% of LIFE survey participants are female compared to systemwide 46%, *Customer Experience Survey 2022*
- 55% of LIFE survey participants are riding Metro multiple times a day.
- 72% rode Metro more frequently when using the free fares.
- More than 50% of LIFE survey participants have had to choose between spending money to ride LA Metro or spending it on other important needs.
  - When having to choose between spending money to ride LA Metro or spending it on other important needs, 29% of survey respondents used their money to pay the fare.
- When receiving free fares, LIFE survey participants spent the money they saved on food, housing cost, and home items.
- 95% of LIFE survey participants feel better or much better after receiving free fares.
  - The top three reasons why survey respondents felt better were because they worried less about money, felt less stressed, and were able to plan their day more easily.
