A. Procurement Background

This Board Action is to approve an increase in Contract Modification Authority (CMA) for multiple firm, fixed unit rate contracts (see Attachment C-Contract Modification Authority Summary) for towing services in support of the Metro Freeway Service Patrol (FSP) program and to extend their periods of performance to assure no gap in service.

The proposed CMA increase for 19 FSP general purpose lane contracts in the amount of \$7,250,000.00 will continue required towing services for the FSP program and extend the period of performance to support unanticipated events, redeployment, and support during freeway construction work, and service delivery until new FSP contracts are in place.

Attachment C-Contract Modification Authority Summary shows the list of contracts that require an increase in CMA.

B. Cost

For contract modifications that are required in the future, prices will be determined fair and reasonable based upon an independent cost estimate, fact-finding, technical analysis, and cost negotiations.
