A. Procurement Background

This Board Action is to approve Modification No. 1 to support the maintenance and new installations to Metro's agency-wide security system. These services are required to provide security, protection, surveillance and access control to sensitive and confidential data such as servers, financial records and employee records.

This Contract Modification will be processed in accordance with Metro's Acquisition Policy and the contract type is firm fixed unit rate.

Refer to Attachment B – Contract Modification/Change Order Log.

B. Cost/Price Analysis

The recommended price has been determined to be fair and reasonable based upon rates that were established as part of the competitive contract award in January 2015, price analysis (equipment rates are set by the manufacturer), and prevailing wages rates set by the State of California.
