On May 25, 2022, Request for Proposal (RFP) No. PS77693-3 was issued as a competitive procurement in accordance with Metro's Acquisition Policy. The proposed contract type is a firm fixed price.

B. Evaluations of Proposals

A Proposal Evaluation Team (PET) consisting of staff from Metro's Systems Architecture & Technology Integration, ITS Administration, and Information Security Department conducted a comprehensive technical evaluation of the proposals received.

The proposals were evaluated based on the following evaluation criteria and weights that were published in the RFP:

1) Qualifications/Experience	20 Points
2) Execution of Work Scope	40 Points
3) Work Schedule and Deliverables	20 Points
4) Price	20 Points
Total	100 Points

The evaluation criteria are appropriate and consistent with criteria developed for similar procurements. Several factors were considered in developing these weights, giving the greatest importance to the Execution of Work Scope.

On July 05, 2022, the PET completed its independent evaluation of the proposals and determined the proposals were technically acceptable. Regents and Park was determined to be the highest ranked firm.

The following is a summary of the PET scores:
