In addition to Code of Conduct enforcement, Transit Security Officers (TSOs) offer safety tips like staying aware of surroundings while using mobile phones and promoting the Transit Watch app for incident reporting. Many TSOs are bilingual, assisting customers in languages such as Spanish, Korean, and Thai. They engage with bus operators to discuss safety issues for the Bus Safety Teams to address. When possible, TSOs give operators verbal tips on safety and de-escalation tactics to respond appropriately to potential threats.

MTS Bus Safety Teams conducted EOL operations during Owl Service on Line 2 in Exposition Park and Line 4 in Downtown Los Angeles to address bus operators' concerns about individuals refusing to alight buses at the end of the line. In June, these operations resulted in 187 removals on Line 2 and 203 removals on Line 4 for non-compliance between June 2 and June 27. In July, these operations resulted in 198 removals on Line 2 and 211 removals on Line 4 between June 30 and August 1.
