2. **Single Adult Male (56 yrs.)** – Encountered at 7th/Metro Station. The participant was placed at the Stuart Hotel due to his mental health vulnerabilities and physical disability. The participant transitioned to First to Serve shelter the following day. This person is no longer in the motel. In April, \$100 was spent at the Stuart Hotel.
3. **Family: Female (48 yrs.) & Male (10 yrs.)** - Encountered at Union Station and were placed at the Stuart Hotel. This family then went to stay with a family friend. This family is no longer in the motel. In April, \$200 was spent at the Stuart Hotel.
4. **Adult Elderly Male (70 yrs.) & Adult Female (46 yrs.)** - The participants were engaged at 7th/Metro Station where they report they have been sleeping. They were placed into a motel due to the male's age and physical disability. The male was then placed at First to Serve shelter, while the female refused shelter and returned to the street. They are no longer in the motel. In April, \$200 was spent at the Stuart Motel.
5. **Adult Elderly Female (75 yrs.)** - The participant was engaged at Union Station. Due to the participant's age and physical vulnerabilities, she was placed at The Stuart Hotel while the appropriate shelter is located. She was then placed at A Bridge Home Western Shelter. She is no longer in the motel. In April, \$400 was spent at the Stuart Motel.
6. **Single Adult Female (50 yrs.)** - The participant was engaged at Union Station. She had a bruised and bloodied face and reported that her boyfriend had just physically assaulted her. Law Enforcement Officers stationed at Union were alerted, and a police report was taken. The participant was placed in a motel room away from her encampment to ensure immediate safety while staff attempted to secure a domestic violence shelter bed. When staff returned to visit the participant, she had left the motel and did not return. In April, \$100 was spent for this motel room.
7. **Single Male (83 yrs.)** - Encountered at Union Station in February, with numerous health concerns. The team placed him at Lincoln Motel and submitted referrals at various senior living programs and shelters. We successfully connected him to Gem Transitional Senior Living, and he was offered housing there; unfortunately, he turned down this unit and checked out of the motel. No contact has been made since. He is no longer in the motel. In April, we spent \$615.60 to motel him.
8. **Single Male (37 yrs.)** - Encountered at NoHo Station, veteran with numerous health conditions and at-risk for COVID-19 because of those conditions. We successfully connected him to SRO Housing Corporation's Veterans Transitional

Housing Program and placed him at the Stuart Hotel until his intake date. He is no longer in the motel. In April, we spent \$100.00 to motel him.

9. **Single Female (55 yrs.)** - Encountered at the 7th Street/Metro Station. The participant was provided a motel room due to her many health issues and high risk for COVID-19. She has been matched to permanent housing and we are waiting for the Housing Authority to provide final approval for the participant to move in. May Motel Report

1. **Single Adult Female (50 yrs.)** - The participant was engaged at Union Station. The participant presented physical evidence of assault. Law Enforcement Officers stationed at Union were alerted and a police report was taken. The participant was placed in a motel room away from her encampment to ensure immediate safety while case manager assisted with securing an appropriate domestic violence shelter bed. The participant is no longer in the motel room. PATH will pay \$300.

2. **Single Adult Male (39 yrs.)** - The participant was originally engaged at Union Station. The participant was involuntarily exited from shelter placement due to a change in the shelter's eligibility requirements. The participant was scheduled for intake at a different shelter but was required to present a current negative COVID test. The participant stayed 1 night and is no longer in the motel. PATH will pay \$100.
3. **Single Adult Male (29 yrs.)** - The participant was engaged at Union Station. During the shelter referral process, staff was made aware that the participant had recently broken quarantine at his previous shelter. Out of an abundance of caution, the participant was placed in a motel until he could obtain a negative COVID test that would allow him to safely enroll at a shelter. The participant is currently in the motel. PATH will pay \$400.
4. **Single Adult Male (60 yrs.)** - The participant was engaged at 7th and Metro. Case Manager and Program Manager attempted to locate a shelter bed for the participant but were not successful. The participant reported that he had been a victim of assault and suffered a head injury for which he was hospitalized and had staples put in. The participant was placed in a motel room to ensure safety while appropriate shelter is located. The participant is no longer in the motel. PATH will pay \$100.
5. **Single Adult Male (24 yrs.)** - The participant was engaged at Union Station. The participant has mental health vulnerabilities and has difficulty remembering appointments. An intake was scheduled for the following day. So that the participant would not miss the intake, he was provided a 1-night stay at The Stuart. The participant is no longer in the motel. PATH will pay \$100.
6. **Single Adult Male (28 yrs.)** - The participant was engaged at 7th and Metro. The participant reported that he was experiencing homelessness and wanted to return to family in Missouri. Case Manager received appropriate verification from family that the participant could return permanently and purchased a bus ticket for the following day. The participant was put in a motel for the night to ensure safety and timely arrival at bus station. The participant is no longer in the motel. PATH will pay \$100.
7. **Single Adult Male (52 yrs.)** - The participant was engaged at Downtown Santa Monica Station and provided an emergency motel stay due to his disabilities (leg amputee and traumatic brain injury) and vulnerabilities/risks for COVID. Since being in the motel, the participant appears to require a Higher Level of Care (HLOC) and the Case Manager is working with the HLOC Liaison with LAHSA for placement in a Board and Care of Skilled Nursing Facility. The participant is still in the motel. PATH will pay \$3180.60.
8. **A Family of five** - Male (34), and his family consisting of a female (26) and their three children ages 10, 8, and 6. This family was engaged at the Artesia

Station and provided an emergency motel stay. The family was referred to PATH Family Solutions Center and is enrolled in the Problem Solving Program, and is in the process of transitioning to the Cesar Chavez Family Shelter upon the parents having negative TB test results. The family is still in the motel. PATH will pay \$4064.10.

9. **Single Adult Female (75 yrs.)** – The participant was engaged at the Del Amo Station and provided a motel stay due to being elderly and having serious health conditions, including diabetes, heart disease and respiratory difficulties. The Case Manager worked diligently to locate an appropriate placement and she transitioned into shelter. She is no longer in the motel. PATH will pay \$718.20.
10. **Single Adult Female (29 yrs.)** – The participant was engaged at Downtown Santa Monica Station and was provided a motel stay when the shelter where she was staying discharged her after learning she was 9 months pregnant. The infant was removed from her care and custody by Department of Child and Family Services due to the participant's significant mental health challenges. The Case Manager worked diligently to locate an appropriate placement and she transitioned into shelter. She is no longer in the motel. PATH will pay \$718.20.
11. **Single Adult Female (70 yrs.)** – The participant was engaged at Union Station and provided a motel stay due to her elderly status, significant health issues (heart condition, high blood pressure, and dropped head syndrome), and high risk for COVID.
