A. Procurement Background

This Board Action is to approve contract awards to two Small Business Enterprise (SBE) firms, XInt Tint of Anaheim, Inc. and Graffiti Shield, Inc. to provide anti-graffiti film maintenance, installation and replacement services for four regions to protect the glass surfaces system-wide as outlined in Invitation for Bid (IFB) No. OP57985, effective June 1, 2019. Board approval of contract awards are subject to resolution of any properly submitted protest(s).

Prior to the release of IFB No. OP57985, an informational meeting was held at Metro Headquarters on November 1, 2018, to share details and timelines for the upcoming procurement, and also provide an opportunity to potential bidders on how Metro would be replacing the existing system-wide service area with four new geographical regions. This action was intended to expand opportunities for small business participation while maintaining service efficiency and continuity. A total of 12 participants representing 8 firms were present at the meeting.

On November 15, 2018, IFB No. OP57985 was issued as a competitive procurement in accordance with Metro's Acquisition Policy. The proposed contract types are firm fixed unit rates.

One amendment was issued during the solicitation phase of this IFB:

- Amendment No. 1, issued on December 5, 2018, provided pre-bid conference material including sign-in sheets, planholder's list, and prevailing wage information.

A pre-bid conference was held on December 4, 2018 and was attended by six participants representing five firms.
