

**REIMBURSEMENT RESOLUTION
OF THE
LOS ANGELES COUNTY METROPOLITAN TRANSPORTATION AUTHORITY
FOR FISCAL YEAR 2026**

WHEREAS, the Los Angeles County Metropolitan Transportation Authority (the “Metro”) desires and intends to finance certain costs relating to (i) the design, engineering, construction, equipage and acquisition of light rail lines; (ii) the design, engineering, construction, equipage and acquisitions for the Rail and Bus State of Good Repair Program including station improvements and rail gating installations; (iii) the design, engineering, construction, equipage of heavy rail lines; (iv) the engineering, construction, renovation, maintenance, and/or acquisition of various capital facilities and equipment, including buses and rail cars, related to service operation; (v) the engineering, construction, renovation, maintenance, and/or acquisition of various highway/surface transportation assets; and (vi) other transit related projects (each a “Project” and collectively, the “Projects”);

WHEREAS, to the extent that federal and/or state grant funding budgeted to be received during FY26 is delayed or reduced, the Los Angeles County Metropolitan Transportation Authority desires and intends to finance certain costs relating to the Projects.

WHEREAS Metro expects to issue debt through the issuance of tax-exempt bonds to pay for these expenditures, each bond issue will have its own separate security source, Proposition A, Proposition C, Measure R and Measure M sales tax revenues, respectively, grant revenues, or toll revenues to finance the costs of the Projects on a permanent basis (the “Debt”);

WHEREAS Metro expects to expend money of the Enterprise Fund (other than money derived from the issuance of bonds) on expenditures relating to the costs of the Projects prior to the issuance of the Debt, which expenditures will be properly chargeable to a capital account under general federal income tax principles.

Whereas Metro reasonably expects to reimburse certain of such capital expenditures with the proceeds of the Debt.

WHEREAS Metro expects that the amount of Debt that will be issued to pay for the costs of the Projects will not exceed \$150.0 million for Proposition A, \$150.0 million for Proposition C, \$150.0 million for Measure R, \$650.0 million for Measure M and \$300.0 million for toll revenues.

WHEREAS, at the time of each reimbursement, Metro will evidence the reimbursement in writing, which identifies the allocation of the proceeds of the Debt to Metro, for the purpose of reimbursing Metro for the capital expenditures made prior to the issuance of the Debt;

WHEREAS, Metro expects to make reimbursement allocations no later than eighteen (18) months after the later of (i) the date on which the earliest original expenditure for the Project is paid or (ii) the date on which the Project is placed in service (or abandoned), but in no event later than three (3) years after the date on which the earliest original expenditure for the Project is paid;

ATTACHMENT C

WHEREAS, Metro will not, within one (1) year of the reimbursement allocation, use the proceeds of the Debt received by way of a reimbursement allocation in a manner that will result in the creation of replacement proceeds of the Debt or another issue (e.g., Metro will not pledge or use the proceeds received as reimbursement for the payment of debt service on the Debt or another issue, except that the proceeds of the Debt can be deposited in a bona fide debt service fund); and

WHEREAS this Resolution is intended to be a "declaration of official intent" in accordance with Section 1.150-2 of the Treasury Regulations.

NOW THEREFORE, BE IT RESOLVED, that (i) all of the foregoing recitals are true and correct and (ii) in accordance with Section 1.150-2 of the Treasury Regulations, Metro declares its intention to issue Debt in an amount not to exceed \$150.0 million for Proposition A, \$150.0 million for Proposition C, \$150.0 million for Measure R, \$650.0 million for Measure M and \$300.0 million for toll revenues; the proceeds of which will be used to pay for the costs of the Projects, including the reimbursement to Metro for certain capital expenditures relating to the Projects made prior to the issuance of the Debt.
