

**DEOD SUMMARY**

**REGIONAL RAIL PLANNING AND ENVIRONMENTAL ON-CALL SERVICES  
BENCH/AE56752000 - AE56752005**

**A. Small Business Participation**

The Diversity & Economic Opportunity Department (DEOD) established an overall 24% Small Business Enterprise (SBE) goal and 3% Disabled Veteran Business Enterprise (DVBE) goal for the procurement. Each prime on the bench made an overall 24% SBE and 3% DVBE commitment.

To date, ten (10) Task Orders (TO) have been awarded to six (6) primes on the Regional Rail Planning and Environmental On-Call Services task order contracts. Overall SBE and DVBE achievement in meeting the SBE/DVBE commitments is based on the aggregate value of all task orders awarded to each prime consultant. Overall, across all primes, the current SBE participation 24.33%, exceeding the SBE commitment by 0.33% and the current DVBE participation is 1.26%, representing a 1.74% shortfall.

According to Gensler, Jacobs/CH2M, and STV, the DVBE subcontractor is scheduled to perform cost estimating on the project. To date, this scope of work has not commenced or has been very minimal, as confirmed by Metro’s project manager. Each prime has indicated that once the DVBE is engaged, the level of participation will increase. DEOD will continue to monitor and track the primes efforts to meet and/or exceed the SBE and DVBE commitments.
