RECOMMENDATION

CONSIDER:

- A. ADOPTING, pursuant to Senate Bill 707 (SB 707), the following findings on behalf of eligible subsidiary bodies as defined by SB 707:
 - (i) *The Board of Directors has considered the circumstances of the eligible subsidiary body.*
 - (ii) *Teleconference meetings of the eligible subsidiary body would enhance public access to meetings of the eligible subsidiary body, and the public has been made aware of the type of remote participation, including audio-visual or telephonic, that will be made available at a regularly scheduled meeting and has been provided the opportunity to comment at an in-person meeting of the legislative body authorizing the subsidiary body to meet entirely remotely.*
 - (iii) *Teleconference meetings of the eligible subsidiary body would promote the attraction, retention, and diversity of eligible subsidiary body members.*

RECOMMENDATION, continued

- B. AUTHORIZING eligible subsidiary bodies (Attachment A) to meet via teleconference, by either audio-visual or telephonic means, if they choose, subject to the requirements of SB 707; and
- C. RECEIVING AND FILING the update on relaxed teleconferencing rules as stated in SB 707 (Attachment B).
