A. Procurement Background

This Board Action is for a procurement issued in support of finding a contractor for the required Triennial Review through the small business set aside program.

The RFP was issued in accordance with Metro's Acquisition Policy and the contract type is a Firm Fixed Price.

A total of three proposals were received on April 23, 2015.

B. Evaluation of Proposals/Bids

A Proposal Evaluation Team (PET) consisting of staff from local programming and from Long Beach Transit was convened and conducted a comprehensive technical evaluation of the proposals received.

The proposals were evaluated based on the following evaluation criteria and weights:

- | | |
|--|------------|
| • Qualifications of the Firm | 20 percent |
| • Experience of the Team | 20 percent |
| • Understanding of Statement of Work and Work Plan | 45 percent |
| • Price | 15 percent |

The evaluation criteria are appropriate and consistent with criteria developed for other historical reviews. Several factors were considered when developing these weights, giving the greatest importance to the Understanding of the Statement of Work and the Work Plan.

The three proposals received were determined to be within the competitive range. The three firms within the competitive range are listed below in alphabetical order:

1. BCA Watson
2. LVR International
3. Ma and Associates

The PET met twice. It was determined, based on the above explicit factors, that Ma and Associates offered the best proposal of the three firms. The PET expressed knowledge of all the proposers and staff as some had retired from other agencies. Each proposer was asked questions to clarify parts of their proposals.
