<b>NOTES: NO additional funds are being requested for the NEW projects. Funds were reallocated from previously approved MIPs or withdrawn MIPs as requested by the MIP Sponsors, in some cases.</b>						
1- Funding for the NEW Alhambra Bicycle & Pedestrian Improvements Project was made available when the City decided to withdraw Fremont Avenue Traffic Improvements (Valley Blvd to Mission Road).						
2- Funding for the NEW LA City 6th Street PARC & Transit Improvements Project was made available when the City decided to withdraw three MIPs; and to modify scopes to reallocate funds from other MIPs for this new project.						
3- The scope was modified to allow funding (\$2,696,000) for the LA General Medical Infill Station Environmental Clearance Project. [These MIP funds were later replaced with MR 3% funds.].						
4- The balance of MIP funds (\$27.304,000) will go toward a joint LA City and LA County effort to improve transit service and accessibility to the medical center and campus [i.e., Valley Blvd Improvements Segment 1].						
The County has requested the LA County + USC Medical Center Improvements (Valley Blvd Multimodal Improvements) or the LA County MIP get transferred to LA City for management and implementation, as originally planned.						
<b>5- Due to City staff shortages, some projects have been placed on pause leaving the completion to date percentage at 0%.</b>
