A. Procurement Background

This Board action is to utilize the National Association of State Procurement Officials (NASPO) cooperative purchase program’s Master Price Agreement for a five-year period for a total expenditure not to exceed \$90,000,000. NASPO is a non-profit organization formed in 1947, comprised of the Chief Procurement Officials of all fifty states, Washington D.C. and the U.S. Territories to promote public procurement throughout the country. The NASPO Master Price Agreements are competitively solicited using a Lead State™ model, supported by a Sourcing Team™ comprised of multiple state procurement representatives and subject matter experts leveraging the expertise and buying power of the states and other participating entities.

B. Evaluation of Proposals

Proposal evaluations are performed for each procurement in accordance with the technical requirements listed for the projects.

C. Cost/Price Analysis

Most favorable pricing is obtained through competition performed by NASPO, and prices are considered fair and reasonable.

D. Background on Recommended Contractor

NASPO Master Agreements are utilized by participating states and local governmental agencies. Master Agreements have been negotiated with all major IT related equipment and service providers.
