¹ Between its 2013 posted code of conduct and its 2021 update, BART added to its list of prohibited acts "sexual harass[ment of] a BART employee or passenger (non-criminal)" in addition to the previously included prohibition of "treaten[ing], harm[ing] or assault[ing] a BART employee or passenger." This addition could be considered an example of a transit agency updating its code of conduct in response to a changing environment, as the transit industry as a whole has seen an increase trend in harassment and assault of its operators over the past several years and especially during the COVID-19 pandemic.
