**A. Small Business Participation**

Bicycle Transit Systems, Inc. (BTS) made a 22.37% DBE commitment. The project is 34% complete. Current DBE participation is 15.73%, representing a shortfall of 6.64%. BTS explained that their shortfall is due to a recent expansion in 2017, which included non-DBE equipment purchases. In September 2016, BTS had a 14.52% DBE shortfall as a result of these equipment purchases.

BTS explained that it is anticipated that DBE participation will increase as staffing requirements are fulfilled this year. According to BTS' forecast, their DBE participation is expected to exceed their current commitment.
