| Bill ID/Topic | Location | Summary | Position |
|--|--|--|-----------------------------------|
| AB 1 Frazier D Transportation funding. | 1/19/2017-A. TRANS. 1/19/2017-Referred to Coms. on TRANS. and NAT. RES. | (1)Existing law provides various sources of funding for transportation purposes, including funding for the state highway system and the local street and road system. These funding sources include, among others, fuel excise taxes, commercial vehicle weight fees, local transactions and use taxes, and federal funds. Existing law imposes certain registration fees on vehicles, with revenues from these fees deposited in the Motor Vehicle Account and used to fund the Department of Motor Vehicles and the Department of the California Highway Patrol. Existing law provides for the monthly transfer of excess balances in the Motor Vehicle Account to the State Highway Account. This bill would create the Road Maintenance and Rehabilitation Program to address deferred maintenance on the state highway system and the local street and road system. The bill would require the California Transportation Commission to adopt performance criteria, consistent with a specified asset management plan, to ensure efficient use of certain funds available for the program. The bill would provide for the deposit of various funds for the program in the Road Maintenance and Rehabilitation Account, which the bill would create in the State Transportation Fund, including revenues attributable to a \$0.012 per gallon increase in the motor vehicle fuel (gasoline) tax imposed by the bill with an inflation adjustment, as provided, an increase of \$38 in the annual vehicle registration fee with an inflation adjustment, as provided, a new \$165 annual vehicle registration fee with an inflation adjustment, as provided, applicable to zero-emission motor vehicles, as defined, and certain miscellaneous revenues described in (7) below that are not restricted as to expenditure by Article XIX of the California Constitution. This bill contains other related provisions and other existing laws. | SUPPORT WORK WITH AUTHOR |

| <p>AB 17 Holden D</p> <p>Transit Pass Program: free or reduced-fare transit passes.</p> | <p>1/19/2017-A. TRANS. 1/19/2017-Referred to Com. on TRANS.</p> | <p>Existing law declares that the fostering, continuance, and development of public transportation systems are a matter of statewide concern. Existing law authorizes the Department of Transportation to administer various programs and allocates moneys for various public transportation purposes. This bill would create the Transit Pass Program to be administered by the department. The bill would require the Controller of the State of California to allocate moneys made available for the program, upon appropriation by the Legislature, to support transit pass programs that provide free or reduced-fare transit passes to specified pupils and students. The bill would require the department to develop guidelines that describe the criteria that eligible transit providers, as defined, are required to use to make available free or reduced-fare transit passes to eligible participants, as defined, and to ensure that moneys from the program are used to expand eligibility or further reduce the cost of a transit pass under existing programs. The bill would exempt the development of those guidelines from the Administrative Procedure Act. The bill would require eligible transit providers and eligible participants to enter into agreements for the distribution of free or reduced-fare transit passes to students. This bill contains other related provisions.</p> | |
| <p>AB 28 Frazier D</p> <p>Caltrans: NEPA Delegation Authority</p> | <p>1/19/2017-A. TRANS. 1/19/2017-Referred to Coms. on TRANS. and JUD.</p> | <p>Existing law gives the Department of Transportation full possession and control of the state highway system. Existing federal law requires the United States Secretary of Transportation to carry out a surface transportation project delivery pilot program, under which the participating states assume certain responsibilities for environmental review and clearance of transportation projects that would otherwise be the responsibility of the federal government. Existing law, until January 1, 2017, provided that the State of California consents to the jurisdiction of the federal courts with regard to the compliance, discharge, or enforcement of the responsibilities it assumed as a participant in the pilot program.</p> <p>This bill would reinstate the operation of the latter provision.</p> <p>This bill would declare that it is to take effect immediately as an urgency statute.</p> | SUPPORT |

| <p>AB 46 Cooper D</p> <p>Employers: wage discrimination.</p> | <p>12/5/2016-A. PRINT 12/6/2016-From printer. May be heard in committee January 5.</p> | <p>Existing law prohibits an employer from paying any of its employees at wage rates less than the rates paid to employees of the opposite sex for substantially similar work, when viewed as a composite of skill, effort, and responsibility, and performed under similar working conditions, unless the employer demonstrates that one or more specific factors, reasonably applied, account for the entire wage differential. Existing law also similarly prohibits an employer from paying any of its employees at wage rates less than the rates paid to employees of another race or ethnicity for substantially similar work. This bill would define “employer” for those purposes to include public and private employers. The bill would specify that a public employer is not subject to the misdemeanor provision. This bill contains other existing laws.</p> | |
| <p>AB 52 Cooper D</p> <p>Public employees: orientation and informational programs: exclusive representatives.</p> | <p>1/19/2017-A. P.E.,R. & S.S. 1/19/2017-Referred to Com. on P.E., R., & S.S.</p> | <p>(1)Existing law, including the Meyers-Milias-Brown Act, the Ralph C. Dills Act, the Trial Court Employment Protection and Governance Act, the Trial Court Interpreter Employment and Labor Relations Act, and the Los Angeles County Metropolitan Transportation Authority Transit Employer-Employee Relations Act, as well as provisions commonly referred to as the Educational Employment Relations Act and the Higher Education Employer-Employee Relations Act, regulates the labor relations of the state, the courts, and specified local public agencies and their employees. Existing law establishes the Public Employment Relations Board and prescribes its powers and duties, in relation to these acts. These acts grant specified public employees of these entities the right to form, join, and participate in the activities of employee organizations of their choosing and require public agency employers, among other things, to meet and confer with representatives of recognized employee organizations and exclusive representatives on terms and conditions of employment. This bill would require the public employers regulated by the acts described above to provide all employees an orientation. The bill would also require these public employers to permit the exclusive representative, if applicable, to participate. By creating new duties for various local agencies, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.</p> | |

|---|---|---|----------|
| AB 65 Patterson R Transportation bond debt service. | 1/19/2017-A. TRANS. 1/19/2017-Referred to Com. on TRANS. | Existing law provides for transfer of certain vehicle weight fee revenues to the Transportation Debt Service Fund to reimburse the General Fund for payment of current year debt service on general obligation bonds issued for transportation purposes, including bonds issued for high-speed rail and associated purposes pursuant to the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century (Proposition 1A of 2008). This bill would specifically exclude from payment under these provisions the debt service for Proposition 1A bonds. | |
| AB 66 Patterson R High-Speed Rail Authority: reports. | 1/19/2017-A. TRANS. 1/19/2017-Referred to Com. on TRANS. | Existing law, the California High-Speed Rail Act, creates the High-Speed Rail Authority to develop and implement a high-speed rail system in the state, with specified powers and duties. Existing law requires the authority, on a biennial basis, to prepare a business plan containing specified elements and also requires the preparation of various other reports. This bill would require the business plan to identify projected financing costs for each segment or combination of segments of the high-speed rail system, if financing is proposed by the authority. The bill would require the authority to identify in the business plan and in another report any significant changes in scope for segments of the high-speed rail system identified in the previous version of each report and to provide an explanation of adjustments in cost and schedule attributable to the changes. | |
| AB 69 Allen, Travis R State highways: roadside rests. | 12/16/2016-A. PRINT 1/4/2017-Read first time. | Existing law provides that the Department of Transportation has full possession and control of the state highway system and associated property. Existing law authorizes the department to plan, design, and construct a system of safety roadside rests along state highways. Existing law requires the department to design only those safety roadside rests that are reasonably economical and that will provide the motorist a place where he or she may stop for a short time during daytime and nighttime hours. This bill would make nonsubstantive changes to these provisions. | |

| <p>AB 73 Chiu D</p> <p>Planning and zoning: housing sustainability districts.</p> | <p>1/19/2017-A. L. GOV. 1/19/2017-Referred to Coms. on L. GOV. and NAT. RES. 2/9/2017-Coauthors revised.</p> | <p>(1)The Planning and Zoning Law requires a city or county to adopt a general plan for land use development within its boundaries that includes, among other things, a housing element. Existing law provides for various reforms and incentives intended to facilitate and expedite the construction of affordable housing. This bill would authorize a city, county, or city and county, including a charter city, charter county, or charter city and county, to establish by ordinance a housing sustainability district that meets specified requirements, including authorizing residential use within the district through the ministerial issuance of a permit. The bill would authorize the city, county, or city and county to apply to the Office of Planning and Research for approval for a zoning incentive payment and require the city, county, or city and county to provide specified information about the proposed housing sustainability district ordinance. The bill would require the office to approve a zoning incentive payment if the ordinance meets the above-described requirements. The bill would also require the Department of Housing and Community Development, each October 1 following the approval of the housing sustainability district, to issue a certificate of compliance if the city, county, or city and county meets specified criteria pertaining to the continued compliance with these provisions or to deny certification, as provided. The bill would provide that a city, county, or city and county with a housing sustainability district would be entitled to a zoning incentive payment, subject to appropriation of funds for that purpose, and require that 1/2 the amount be provided upon zone approval by the office and 1/2 the amount upon verification by the department of the issuance of permits for the projected units of residential construction within the zone, provided that the city, county, or city and county has received a certificate of compliance for the applicable year. The bill, if no construction has started in a housing sustainability district within 3 years of the date that the first 1/2 of the incentive payment has been made, would require the city, county, or city and county to return the full amount of zoning incentive payments it has received to the department. This bill contains other related provisions and other existing laws.</p> | |

| AB 87 Ting D Autonomous vehicles. | 1/19/2017-A. TRANS. 1/19/2017-Referred to Coms. on TRANS. and C. & C. | Existing law authorizes the operation of an autonomous vehicle on public roads for testing purposes by a driver who possesses the proper class of license for the type of vehicle being operated, if specified requirements are satisfied. Existing law prohibits an autonomous vehicle from being operated on public roads until the manufacturer submits an application to the Department of Motor Vehicles, as specified, and that application is approved. Existing law requires the Department of Motor Vehicles to adopt regulations no later than January 1, 2015, setting forth requirements for the submission of evidence of insurance, surety bond, or self-insurance, and for the submission and approval of an application to operate an autonomous vehicle. Under existing law, it is unlawful and constitutes an infraction for any person to violate, or fail to comply with any provision of the Vehicle Code, unless otherwise specified. This bill would provide that violation of this section is not an infraction and would instead, among other things, require the department to revoke the registration of a vehicle that is being operated in violation of those provisions. The bill would also authorize a peace officer to cause the removal and seizure of a vehicle operating on the public streets with a registration that has been revoked pursuant to these provisions and authorize the department to impose a penalty of up to \$25,000 per day for each autonomous vehicle operating in violation of these provisions. | |

| AB 91 Cervantes D High-occupancy vehicle lanes. | 1/19/2017-A. TRANS. 1/19/2017-Referred to Com. on TRANS. | Existing law authorizes the Department of Transportation to designate certain lanes for the exclusive or preferential use of high-occupancy vehicles. When those exclusive or preferential use lanes are established and double parallel solid lines are in place to the right thereof, existing law prohibits any person driving a vehicle from crossing over those double lines to enter into or exit from the lanes, and entrance or exit from those lanes is authorized only in areas designated for these purposes or where a single broken line is in place to the right of the lanes, except as specified. This bill would prohibit, commencing July 1, 2018, a high-occupancy vehicle lane from being established in the County of Riverside, unless that lane is established as a high-occupancy vehicle lane only during the hours of heavy commuter traffic, as determined by the department. The bill would require any existing high-occupancy vehicle lane in the County of Riverside that is not a toll lane to be modified to operate as a high-occupancy lane under those same conditions. The bill would authorize the department, on or after May 1, 2019, to reinstate 24-hour high-occupancy vehicle lanes in the County of Riverside if the department makes a specified determination, and would require the department to report to the Legislature on the impact on traffic of limiting the use of high-occupancy lanes only during the hours of heavy commuter traffic, as provided in the bill. | |
| AB 151 Burke D California Global Warming Solutions Act of 2006: market-based compliance mechanisms. | 1/11/2017-A. PRINT 1/12/2017-From printer. May be heard in committee February 11. | The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The state board is required to approve a statewide greenhouse gas emissions limit equivalent to the statewide greenhouse gas emissions level in 1990 to be achieved by 2020 and to ensure that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030. This bill would state the intent of the Legislature to enact legislation that authorizes the state board to utilize a market-based compliance mechanism after December 31, 2020, in furtherance of the statewide greenhouse gas emissions limit of at least 40% below the 1990 level by 2030. This bill contains other existing laws. | |

P.E.,R. & S.S. 1/30/2017-Referred to Com. on P.E., R., & S.S. | Existing law creates the Department of Finance and provides that the department has general powers of supervision over all matters concerning the financial and business policies of the state. This bill would authorize the Department of Finance to identify infrastructure projects in the state for which the department will guarantee a rate of return on investment for an investment made in that infrastructure project by the Public Employees' Retirement System. The bill would create the Reinvesting in California Special Fund as a continuously appropriated fund and would require the moneys in the fund to be used to pay the rate of return on investment. The bill would require the rate of return on investment to be subject to the availability of moneys in the fund. The bill would also state the intent of the Legislature to identify special funds to be transferred into the fund for the purposes of these provisions. By creating a new continuously appropriated fund, this bill would make an appropriation. This bill contains other existing laws. | |
| AB 174 Bigelow R California Transportation Commission: membership. | 1/17/2017-A. PRINT 1/18/2017-From printer. May be heard in committee February 17. | Existing law creates the California Transportation Commission, with various powers and duties relative to the programming of transportation capital projects and allocation of funds to those projects pursuant to the state transportation improvement program and various other transportation funding programs. This bill would require that at least one voting member reside in a rural county with a population of less than 100,000 individuals. This bill contains other existing laws. | |
| AB 179 Cervantes D California Transportation Commission. | 1/18/2017-A. PRINT 1/19/2017-From printer. 2/15/2017-Re- referred to Com. on TRANS. | Existing law creates the California Transportation Commission, with various powers and duties relative to the programming of transportation capital projects and allocation of funds to those projects pursuant to the state transportation improvement program and various other transportation funding programs. This bill would require that 6 of those voting members have specified qualifications. This bill contains other related provisions and other existing laws. | |

| AB 188 Salas D Vehicle retirement. | 1/19/2017-A. PRINT 1/20/2017-From printer. May be heard in committee February 19. | Existing law creates the enhanced fleet modernization program to provide compensation for the retirement of passenger vehicles and light-duty and medium-duty trucks that are high polluters. This bill would require the State Air Resources Board, no later than March 2018, to update the guidelines for the enhanced fleet modernization program to make applicable to light-duty pickup trucks the same standard for miles per gallon that is applicable to minivans, as specified. | |
| AB 195 Obernolte R Local initiative measures: ballot printing specifications. | 1/30/2017-A. E. & R. 1/30/2017-Referred to Com. on E. & R. | Existing law requires that the ballots used when voting upon a proposed county, city, or district ordinance submitted to the voters as an initiative measure have printed on them specified text relating to the proposed ordinance and dictates placement of that text. This bill would extend these ballot requirements to any measure submitted to the voters that is proposed by a local governing body or submitted to the voters as an initiative measure. By expanding the local measures to which the ballot requirements apply, the bill would impose a state-mandated local program. | |
| AB 215 Rodriguez D Metro Gold Line Foothill Extension Construction Authority. | 1/24/2017-A. PRINT 1/25/2017-From printer. May be heard in committee February 24. | Existing law creates the Metro Gold Line Foothill Extension Construction Authority for the purpose of awarding and overseeing all design and construction contracts for completion of the Los Angeles-Pasadena Foothill Extension Gold Line light rail project, and defines specified terms relating to that authority and project. This bill would make a nonsubstantive change to those provisions. | |
| AB 221 Gray D Workers' compensation: liability for payment. | 2/6/2017-A. INS. 2/6/2017-Referred to Com. on INS. | Existing law establishes a workers' compensation system, administered by the Administrative Director of the Division of Workers' Compensation, that generally requires employers to secure the payment of workers' compensation for injuries incurred by their employees that arise out of, or in the course of, employment. Existing law requires an employer to provide all medical services reasonably required to cure or relieve the injured worker from the effects of the injury. This bill would provide that for claims of occupational disease or cumulative injury filed on or after January 1, 2018, the employee and the employer would have no liability for payment for medical treatment unless one or more of certain conditions are satisfied, including, among others, that the treatment was authorized by the employer. | Watch |

| AB 239 Ridley-Thomas D California Environmental Quality Act: urbanized areas. | 2/6/2017-A. NAT. RES. 2/6/2017-Referred to Com. on NAT. RES. | The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. CEQA defines the terms “urban area” and “urbanized area” to mean, among other things, an unincorporated area that is completely surrounded by one or more incorporated cities and the population density of the unincorporated area at least equals the population density of the surrounding city or cities. This bill would instead specify that the population density of the unincorporated area be at least 1,000 persons per square mile. | Watch |
| AB 241 Dababneh D Personal information: privacy: state and local agency breach. | 2/6/2017-A. P. & C.P. 2/6/2017-Referred to Com. on P. & C.P. | Existing law requires a person or business conducting business in California and any state or local agency, as defined, that owns or licenses computerized data that includes personal information, as defined, to disclose a breach in the security of the data to a resident of California whose unencrypted personal information was, or is reasonably believed to have been, acquired by an unauthorized person in the most expedient time possible and without unreasonable delay, as specified. Existing law requires a person or business, if it was the source of the breach, to offer to provide appropriate identity theft prevention and mitigation services at no cost to the person whose information was or may have been breached if the breach exposed or may have exposed the person’s social security number, driver’s license number, or California identification card number. This bill also would require a state or local agency, if it was the source of the breach, to offer to provide appropriate identity theft prevention and mitigation services at no cost to a person whose information was or may have been breached if the breach exposed or may have exposed the person’s social security number, driver’s license number, or California identification card number. | AB 262 Bonta D Public contracts: lowest responsive bidder: eligible materials. | 2/13/2017-A. A. & A.R. 2/13/2017-Referred to Coms. on A. & A.R. and NAT. RES. | The State Contract Act governs the bidding and award of public works contracts by specific state departments and requires an awarding department, before entering into any contract for a project, to prepare full, complete, and accurate plans and specifications and estimates of cost. The act generally requires that an awarding department that proposes to contract a public work to award that contract pursuant to a competitive bidding process, under which bids are awarded to the lowest responsible bidder, with specified alternative bidding procedures authorized in certain cases. This bill would require an awarding department to require a prospective bidder to complete a standard form that states the cumulative amount of specified greenhouse gas emissions that were produced in the manufacturing of eligible materials, as defined, to be used on the project, and would provide that a prospective bidder may satisfy this standard by attaching to that form an Environmental Product Declaration, developed in accordance with standards established by the International Organization of Standardization, for that type of product. The bill would require an awarding department, when calculating the lowest responsible bidder for purposes of public works contracts that use eligible materials, to adjust that portion of the bid on the base contract that represents the cost of the eligible materials to incorporate the value of the social cost of those materials. The bill would require the Secretary of Government Operations to establish a formula to calculate the social cost of eligible materials, in accordance with requirements set out in the bill. This bill contains other related provisions and other existing laws. | Watch |
| AB 268 Waldron R State mandates. | 2/1/2017-A. PRINT 2/2/2017-From printer. May be heard in committee March 4. | The California Constitution requires the state to provide a subvention of funds to reimburse local government for the costs of that new program or higher level of service, with specified exceptions, when the Legislature or a state agency mandates a new program or higher level of service on any local government, including school districts. Existing law establishes the sole and exclusive procedure by which a local agency or school district may claim reimbursement for these costs. This bill would make a technical, nonsubstantive change to this provision. | Watch |

| AB 278 Steinorth R California Environmental Quality Act: exemption: existing transportation infrastructure. | 2/13/2017-A. NAT. RES. 2/13/2017-Referred to Coms. on NAT. RES. and TRANS. | The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. This bill would exempt from the provisions of CEQA a project, or the issuance of a permit for a project, that consists of the inspection, maintenance, repair, rehabilitation, replacement, or removal of, or the addition of an auxiliary lane or bikeway to, existing transportation infrastructure and that meets certain requirements. The bill would require the public agency carrying out the project to take certain actions. | |
| AB 287 Holden D State Highway Route 710: advisory committee. | 2/13/2017-A. TRANS. 2/13/2017-Referred to Com. on TRANS. | Existing law provides that the Department of Transportation has full possession and control of all state highways and associated property. Existing law designates and describes state highway routes, including Route 710 in the County of Los Angeles. This bill would require the Department of Transportation, in consultation with the Los Angeles County Metropolitan Transportation Authority, to establish the I-710 Gap Corridor Transit Study Zone Advisory Committee, with a specified membership, to study the alternatives considered in the State Route 710 North Draft Environmental Impact Review and other transit options to improve travel in, and environmental impacts of, the I-710 Corridor project area, along with alternatives not considered by the environmental review. The bill would require the advisory committee, by January 1, 2019, to make recommendations in a report to the Legislature, the Department of Transportation, and the Los Angeles County Metropolitan Transportation Authority on the most appropriate and feasible alternative in the I-710 Corridor project area to improve air quality and public health, improve traffic safety, modernize the freeway design, address projected traffic volumes, and address projected growth in population and employment and activities related to goods movement. This bill contains other related provisions. | |

| AB 298 Gallagher R Immigration holds. | 2/13/2017-A. PUB. S. 2/13/2017-Referred to Com. on PUB. S. | (1)Existing state law provides that a law enforcement official has discretion to cooperate with federal immigration officials by detaining an individual on the basis of an immigration hold after the person becomes eligible for release only if continued detention of the individual on the basis of the hold does not violate federal, state, or local law, or any local policy, and the person has been convicted of certain crimes.This bill would require a local law enforcement official to cooperate with federal immigration officials by detaining an individual convicted of a felony on the basis of an immigration hold for up to 48 hours, as specified, after the person becomes eligible for release from custody if continued detention on the basis of the immigration hold would not violate federal law. By creating new duties for local officials, this bill would impose a state-mandated local program. The bill would also make conforming changes.This bill contains other related provisions and other existing laws. | Watch |
| AB 301 Rodriguez D Driver's license: examination requirements: certificate of driving skill. | 2/6/2017-A. PRINT 2/7/2017-From printer. May be heard in committee March 9. | Under existing law, an applicant for a driver's license is required to submit to an examination appropriate to the type of motor vehicle or combination of vehicles the applicant desires to drive. The examination includes, among other things, a test of the applicant's knowledge and understanding of the law governing the operation of vehicles upon the highways, and, with specified exceptions, an actual demonstration of the applicant's ability to exercise ordinary and reasonable control in operating a motor vehicle by driving it under the supervision of an examining officer. Under existing law, the department is authorized to accept a certificate of driving skill issued by an applicant's employer that is authorized by the department to issue a certificate under a specified provision, in lieu of a driving test, on class A or B applications, under certain circumstances.This bill would make technical, nonsubstantive changes to those provisions. | Watch |

| AB 302 Gipson D Greenhouse Gas Reduction Fund: 3-year investment plan. | 2/6/2017-A. PRINT 2/7/2017-From printer. May be heard in committee March 9. | The California Global Warming Solutions Act of 2006 establishes the State Air Resources Board as the state agency responsible for monitoring and regulating sources emitting greenhouse gases. The act authorizes the state board to include the use of market-based compliance mechanisms. Existing law requires all moneys, except for fines and penalties, collected by the state board from a market-based compliance mechanism to be deposited in the Greenhouse Gas Reduction Fund and to be available upon appropriation by the Legislature. Existing law requires the Department of Finance, in consultation with the state board and any other relevant state agency, to develop, as specified, a 3-year investment plan for the moneys deposited in the Greenhouse Gas Reduction Fund. Existing law requires appropriations from the fund to be made in the annual Budget Act. This bill would make technical, nonsubstantive changes to those provisions. | Watch |
| AB 306 Gonzalez Fletcher D Unemployment benefits. | 2/6/2017-A. PRINT 2/7/2017-From printer. May be heard in committee March 9. | Existing law prescribes a system for the payment of benefits to unemployed individuals who meet specified eligibility criteria. Existing law requires an employer to post and maintain, in places readily accessible to employees, printed statements concerning benefit rights and other matters. This bill would make nonsubstantive changes to these provisions. | Watch |

| AB 330 Cooley D Highway safety. | 2/21/2017-A. TRANS. 2/21/2017-Referred to Coms. on TRANS. and PUB. S. | Existing law establishes the state transportation improvement program process, pursuant to which the California Transportation Commission programs, on a biennial basis, available state and federal funds for transportation capital improvement projects, other than state highway rehabilitation and repair projects, for the 5-year period of the state transportation improvement program, based on the interregional transportation improvement program prepared by the Department of Transportation and the regional transportation improvement programs prepared by regional transportation planning agencies. Existing law requires the Department of Transportation to submit to the California Transportation Commission an estimate of state and federal funds reasonably expected to be available for future programming over the 5-year period in each state transportation improvement program, and requires the California Transportation Commission to adopt a fund estimate in that regard. This bill would require the fund estimates prepared by the department and the commission to identify and include federal funds derived from apportionments made to the state under the Fixing America's Surface Transportation (FAST) Act of 2015. This bill contains other related provisions and other existing laws. | Watch |
| AB 344 Melendez R Toll evasion violations. | 2/21/2017-A. TRANS. 2/21/2017-Referred to Com. on TRANS. | Existing law prohibits a person from evading or attempting to evade the payment of tolls or other charges on any vehicular crossing or toll highway, and makes a violation of these provisions subject to civil penalties, as specified. If a vehicle is found to have evaded tolls on any toll road or toll bridge, existing law requires an issuing agency or a processing agency, within 21 days of the violation, to forward to the registered owner a notice of toll evasion violation setting forth the violation, as specified. This bill would not require a person contesting a notice of toll evasion violation or notice of delinquent toll evasion from being required to pay the toll evasion penalty until after the processing agency or issuing agency finds as a result of an investigation, or the processing agency finds as a result of an administrative review, or a court finds as a result of a hearing, that the contestant did commit a toll evasion violation, whichever occurs later. This bill contains other existing laws. | Watch |

| AB 382 Voepel R Fuel taxes: Off-Highway Vehicle Trust Fund. | 2/21/2017-A. TRANS. 2/21/2017-Referred to Com. on TRANS. | Existing law imposes an excise tax on motor vehicle fuel (gasoline). Existing law, as a result of the elimination of the sales tax on gasoline effective July 1, 2010, provides for a commensurate increase in the excise tax on gasoline. These taxes are deposited to the Motor Vehicle Fuel Account in the Transportation Tax Fund. Existing law requires certain moneys attributable to taxes imposed upon distribution of gasoline related to specified off-highway motor vehicles and off-highway vehicle activities to be transferred monthly from the Motor Vehicle Fuel Account to the Off-Highway Vehicle Trust Fund. Existing law, however, transfers, with respect to the increase in gasoline excise taxes as a result of the elimination of the sales tax on gasoline, to the General Fund the revenues attributable to off-highway vehicles that would otherwise be deposited in the Off-Highway Vehicle Trust Fund. Existing law also requires the Controller to withhold \$833,000 from the monthly transfer, and transfer that amount to the General Fund. The moneys in the Off-Highway Vehicle Trust Fund are required to be used, upon appropriation, for specified purposes related to off-highway motor vehicle recreation. This bill would, on June 30, 2018, eliminate the requirement that the Controller withhold \$833,000 from the monthly transfer and transfer it to the General Fund and would thereby transfer this amount monthly to the Off-Highway Vehicle Trust Fund. | |

| AB 398 Garcia, Eduardo D Greenhouse Gas Reduction Fund: report. | 2/21/2017-A. NAT. RES. 2/21/2017-Referred to Com. on NAT. RES. | The California Global Warming Solutions Act of 2006 establishes the State Air Resources Board as the state agency responsible for monitoring and regulating sources of emissions of greenhouse gases. The act authorizes the state board to include the use of market-based compliance mechanisms. Existing law requires all moneys, except for fines and penalties, collected by the state board from a market-based compliance mechanism to be deposited in the Greenhouse Gas Reduction Fund and to be available upon appropriation by the Legislature. Existing law requires the Department of Finance to annually submit a report to the appropriate committees of the Legislature on the status of the projects funded with moneys from the fund. This bill would require the department to include additional information in its annual report to the Legislature, including, among other things, the greenhouse gas emissions reductions attributable to each project and the geographic location, industry sector, and number of employees of the business entities, as defined, receiving moneys from the fund. The bill would require state agencies expending moneys from the fund to condition the acceptance of those moneys on the recipient providing information necessary to meet the reporting requirements. | |
| AB 408 Chen R Eminent domain: final offer of compensation. | 2/21/2017-A. JUD. 2/21/2017-Referred to Com. on JUD. | Existing law governing settlement offers in eminent domain proceedings authorizes the recovery of litigation expenses under certain circumstances. Existing law provides that if a court finds, on motion of the defendant, that the offer of the plaintiff was unreasonable and the offer of the defendant was reasonable in light of the evidence admitted and the compensation awarded in the proceeding, then the costs allowed shall include the defendant's litigation expenses. This bill would instead provide that if a court finds, on motion of the defendant, that the offer of the plaintiff was lower than 90% of the compensation awarded in the proceeding, then the court would be required to include the defendant's litigation costs in the costs allowed. If the court finds that the offer of the plaintiff was at least 90% and less than 100% of the compensation awarded in the proceeding, the court would be authorized to include the defendant's litigation costs in the costs allowed. | |

| AB 496 Fong R Transportation funding. | 2/13/2017-A. PRINT 2/14/2017-From printer. May be heard in committee March 16. | (1)Existing law provides various sources of funding for transportation purposes, including funding for the state highway system and the local street and road system. These funding sources include, among others, fuel excise taxes, commercial vehicle weight fees, local transactions and use taxes, and federal funds. Existing law imposes certain registration fees on vehicles, with revenues from these fees deposited in the Motor Vehicle Account and used to fund the Department of Motor Vehicles and the Department of the California Highway Patrol. Existing law provides for the monthly transfer of excess balances in the Motor Vehicle Account to the State Highway Account. This bill would create the Traffic Relief and Road Improvement Program to address traffic congestion and deferred maintenance on the state highway system and the local street and road system. The bill would provide for the deposit of various existing sources of revenue in the Traffic Relief and Road Improvement Account, which the bill would create in the State Transportation Fund, including revenues attributable to the sales and use tax on motor vehicles, revenues attributable to automobile and motor vehicle insurance policies from the insurer gross premiums tax, revenues from certain diesel fuel sales and use taxes, revenues from certain vehicle registration fees, and certain miscellaneous State Highway Account revenues. This bill contains other related provisions and other existing laws. | |
| AB 499 Harper R California Environmental Quality Act: infill development. | 2/13/2017-A. PRINT 2/14/2017-From printer. May be heard in committee March 16. | The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment, as defined, or to adopt a negative declaration if it finds that the project will not have that effect, unless the project is exempt from the act. CEQA exempts a residential project located on an infill site within an urbanized area that meets specified criteria from its requirements. This bill would make nonsubstantive changes to this exemption. | |

| AB 697 Fong R Tolls: exemption for privately owned emergency ambulances. | 2/15/2017-A. PRINT 2/16/2017-From printer. May be heard in committee March 18. | Existing law provides for the exemption of authorized emergency vehicles, as defined, from the payment of a toll or charge on a vehicular crossing, toll highway, or high-occupancy toll (HOT) lane and any related fines, when the authorized emergency vehicle is being driven while responding to or returning from an urgent or emergency call, engaged in an urgent or emergency response, or engaging in a fire station coverage assignment directly related to an emergency response. Existing law requires a toll operator to accept, in lieu of payment of a bill for an authorized emergency vehicle using a toll facility, a letter from a fire chief, police chief, county sheriff, head of a public agency, or his or her designee certifying that the use of the authorized emergency vehicle was exempt from the payment of the toll or other charge. Existing law further requires, upon written request and information and belief of the toll operator that the use of an authorized emergency vehicle was not in compliance with this section, a fire chief, police chief, county sheriff, head of the public agency, or his or her designee, to provide or otherwise make accessible to the toll operator the dispatch records or log books relevant to the time period when the authorized emergency vehicle was in use on the toll highway, vehicular crossing, or high-occupancy toll (HOT) lane. Existing law prohibits a person from operating a privately owned emergency ambulance unless licensed by the California Highway Patrol. This bill would expand the exemption from the payment of a toll or charge on a vehicular crossing, toll highway, or high-occupancy toll (HOT) lane and any related fines under these conditions to include a privately owned emergency ambulance licensed by the California Highway Patrol. | |
| AB 730 Quirk D Transit districts: prohibition orders. | 2/15/2017-A. PRINT 2/16/2017-From printer. May be heard in committee March 18. | Existing law prohibits certain acts by a person with respect to the property, facilities, or vehicles of a transit district. A violation is generally an infraction punishable by a fine not exceeding \$75 on a first offense, or on a subsequent offense by a fine not exceeding \$250 or by community service. This bill would permanently apply these provisions to the San Francisco Bay Area Rapid Transit District. This bill contains other existing laws. | |

May be heard in committee March 19. | Existing law regulates the issuance of drivers' licenses and the licensure and operation of vehicles on the roads of the state. Under existing law, these provisions are applicable and uniform throughout the state and in all counties and municipalities. Existing law prohibits local authorities from enacting or enforcing an ordinance or resolution in this area unless expressly authorized. This bill would make technical, nonsubstantive changes to these provisions. | |
| AB 943 Santiago D | 03/02/17 Referred to Coms. on L. GOV. and E. & R. 02/17/17 From printer. May be heard in committee March 19. 02/16/17 Read first time. To print. | The Planning and Zoning Law, among other things, authorizes the legislative body of any county or city to adopt ordinances to regulate land use. Existing law also establishes procedures by which city ordinances may be enacted by initiative, including requiring that an ordinance proposed by the voters or submitted by the legislative body of the city be approved by a majority of the votes cast on the ordinance. This bill, in the case of an ordinance that would curb, delay, or deter growth or development within a city, require that an ordinance proposed by the voters or submitted by the legislative body of the city receive 2/3 of the votes cast on the ordinance in order to become effective. The bill would declare that it addresses a matter of statewide concern. | |

|--|--|--|----------|
| AB 979 Lackey R Local government. | 2/16/2017-A. PRINT 2/17/2017-From printer. May be heard in committee March 19. | Existing law, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, provides the sole and exclusive authority and procedure for the initiation, conduct, and completion of changes of organization and reorganization for cities and districts and makes related findings and declarations. This bill would make nonsubstantive changes to those findings and declarations. | |
| AB 1015 Mathis R State highways. | 2/16/2017-A. PRINT 2/17/2017-From printer. May be heard in committee March 19. | Existing law establishes the Department of Transportation and the California Transportation Commission, provides that the department has full possession and control of all state highways and all property and rights in property acquired for state highway purposes, and authorizes and directs the department to lay out and construct all state highways between the termini designated by law and on the locations as determined by the commission. This bill would make technical, nonsubstantive changes to these provisions. | |
| AB 1060 Burke D Enhanced infrastructure financing districts. | 2/16/2017-A. PRINT 2/17/2017-From printer. May be heard in committee March 19. | Existing law authorizes the legislative body of a city or a county to establish an enhanced infrastructure financing district to finance public capital facilities or other specified projects of communitywide significance, including, but not limited to, the acquisition, construction, or rehabilitation of housing for persons of low and moderate income for rent or purchase. This bill would authorize the Los Angeles County Metropolitan Transportation Authority to create an enhanced infrastructure financing district. This bill contains other related provisions. | Sponsor |
| AB 1063 Fong R Transportation funds. | 2/16/2017-A. PRINT 2/17/2017-From printer. May be heard in committee March 19. | Existing law requires funds in the State Highway Account to be programmed, budgeted, and expended to maximize the use of federal funds and according to a specified sequence of priorities. Existing law requires the Department of Transportation to provide certain information to the Legislature to substantiate the department's proposed capital outlay support budget. This bill would make nonsubstantive changes to these provisions. | |

| AB 1073 Garcia, Eduardo D California Clean Truck, Bus, and Off-Road Vehicle and Equipment Technology Program. | 2/16/2017-A. PRINT 2/17/2017-From printer. May be heard in committee March 19. | The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The act authorizes the state board to include the use of market-based compliance mechanisms. Existing law requires all moneys, except for fines and penalties, collected by the state board as part of a market-based compliance mechanism to be deposited in the Greenhouse Gas Reduction Fund and to be available upon appropriation by the Legislature. This bill instead would require the state board, when funding a specified class of projects, to allocate, until January 1, 2023, no less than 20% of that available funding to support the early commercial deployment or existing zero- and near-zero-emission heavy-duty truck technology. This bill contains other existing laws. | |
| AB 1094 Choi R Vehicles: automated traffic enforcement systems. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Existing law requires a driver facing a steady circular red signal alone to stop at a marked limit line, but if none, before entering the crosswalk on the near side of the intersection or, if none, then before entering the intersection, and to remain stopped until an indication to proceed is shown, except as specified. Existing law makes it unlawful for a driver to enter or travel in any lane over which a red signal is shown. A violation of those provisions is an infraction punishable by a fine of \$100. This bill would also require a stop to be made at an official traffic control signal erected and maintained at a freeway or highway on ramp. The bill would also make technical, nonsubstantive changes to that provision. This bill contains other existing laws. | |
| AB 1103 Oberholte R Bicycles: yielding. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Existing law, subject to exceptions, provides that a person riding a bicycle or operating a pedicab upon a highway has all the rights and is subject to all the laws applicable to the driver of a vehicle. A violation of the Vehicle Code is punishable as an infraction. This bill would, notwithstanding those provisions, authorize a person operating a bicycle approaching a stop sign, after slowing to a reasonable speed and yielding the right-of-way, to cautiously make a turn or proceed through the intersection without stopping, unless safety considerations require otherwise. The bill would require a person operating a bicycle to continuously signal an intention to turn right or left during the last 100 feet traveled before the turn, except as specified. Because this bill would impose a new requirement on bicycle operators, the violation of which would be a crime, the bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. | |

| AB 1113 Bloom D State Transit Assistance program. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Existing law requires the transfer of a specified portion of the sales tax on diesel fuel, in addition to various other revenues, to the Public Transportation Account, a trust fund in the State Transportation Fund. Existing law requires funds in the account to be allocated to various public transportation and transportation planning purposes, with specified revenues in the account to be allocated by the Controller to specified local transportation agencies for public transportation purposes, pursuant to the State Transit Assistance (STA) program. Existing law requires STA funds to be allocated by formulas based 50% on population and 50% on transit operator revenues. This bill would revise and recast the provisions governing the STA program. The bill would provide that only STA-eligible operators, as defined, are eligible to receive an allocation from the portion of program funds based on transit operator revenues. The bill would provide for each STA-eligible operator within the jurisdiction of the allocating local transportation agency to receive a proportional share of the revenue-based program funds based on the qualifying revenues of that operator, as defined. The bill would revise the duties of the Controller and the Department of Transportation in administering the program. The bill would make various other conforming changes and would delete obsolete provisions. | |
| AB 1160 Bonta D Autonomous vehicles. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Existing law authorizes the operation of an autonomous vehicle on public roads for testing purposes by a driver who possesses the proper class of license for the type of vehicle being operated if specified requirements are met. Existing law defines an autonomous vehicle as any vehicle equipped with autonomous technology that has been integrated into that vehicle. This bill would change the definition of autonomous vehicle to mean any vehicle equipped with autonomous technology that has been integrated into that vehicle and is operated without the active physical control or monitoring by a human operator. | |

| AB 1218 Obernolte R California Environmental Quality Act: exemption: bicycle transportation plans. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | The California Environmental Quality Act (CEQA) requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. CEQA, until January 1, 2018, exempts from its requirements bicycle transportation plans for an urbanized area for restriping of streets and highways, bicycle parking and storage, signal timing to improve street and highway intersection operations, and related signage for bicycles, pedestrians, and vehicles under certain conditions. CEQA, until January 1, 2018, also exempts from its requirements projects consisting of restriping of streets and highways for bicycle lanes in an urbanized area that are consistent with a bicycle transportation plan under certain conditions. This bill would extend indefinitely those 2 exemptions. | |
| AB 1259 Calderon D California Clean Truck, Bus, and Off-Road Vehicle and Equipment Technology Program. | 2/17/2017-A. PRINT 2/19/2017-From printer. | AB 1282 Mullin D Transportation: task force: permit processing. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Existing law establishes the Department of Transportation and the California Transportation Commission and provides that the department has full possession and control of all state highways and all property and rights in property acquired for state highway purposes and authorizes and directs the department to lay out and construct all state highways between the termini designated by law and on the locations as determined by the commission. This bill would establish a transportation permitting task force consisting of representatives from the department, the commission, state environmental permitting agencies, and other transportation planning entities to develop a process for early engagement for all parties in the development of transportation projects. | |
| AB 1301 Fong R Joint Legislative Committee on Climate Change Policies. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Existing law creates the Joint Legislative Committee on Climate Change Policies and requires the committee to ascertain facts and make recommendations to the Legislature and to committees of the Legislature concerning the state's programs, policies, and investments related to climate change, as specified. This bill would state the mission of the joint committee, as specified, and would require the chair of the State Air Resources Board to annually make a specified presentation to the joint committee on specified greenhouse gas emissions reduction measures that are being implemented or considered by the state board. | |
| AB 1324 Gloria D Metropolitan planning organizations: transactions and use taxes. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Existing law authorizes various local governmental entities, subject to certain limitations and approval requirements, to levy a transactions and use tax in accordance with the procedures and requirements set forth in the Transactions and Use Tax Law. Existing federal law provides for the designation of some of these entities as metropolitan planning organizations. This bill would authorize a metropolitan planning organization authorized by law to levy, expand, increase, or extend a transactions and use tax to levy, expand, increase, or extend that tax in only a portion of the jurisdiction, as an alternative to the entire jurisdiction, in which the organization is authorized to levy, expand, increase, or extend the tax, if approved by the required percentage of the voters in that portion of the jurisdiction. The bill would require the revenues derived from the levy, expansion, increase, or extension to be used only within the area for which the levy, expansion, increase, or extension was approved by the voters. | |

| AB 1363 Baker R Transportation revenues. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Article XIX of the California Constitution restricts the expenditure of revenues from taxes imposed by the state on fuels used in motor vehicles upon public streets and highways to street and highway and certain mass transit purposes. Existing law requires certain miscellaneous revenues deposited in the State Highway Account that are not restricted as to expenditure by Article XIX of the California Constitution to be transferred to the Transportation Debt Service Fund in the State Transportation Fund, as specified, and requires the Controller to transfer from the fund to the General Fund an amount of those revenues necessary to offset the current year debt service made from the General Fund on general obligation transportation bonds issued pursuant to Proposition 116 of 1990. This bill would, on July 1, 2018, delete the transfer of these miscellaneous revenues to the Transportation Debt Service Fund, thereby eliminating the offsetting transfer to the General Fund for debt service on general obligation transportation bonds issued pursuant to Proposition 116 of 1990. The bill, subject to a specified exception, would, on July 1, 2018, instead require the miscellaneous revenues to be retained in the State Highway Account and to be used solely for transportation expenditures consistent with the restrictions for expenditure of fuel tax revenues in Article XIX of the California Constitution. | |
| AB 1383 Fong R California Global Warming Solutions Act of 2006: regulations. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The state board is required to approve a statewide greenhouse gas emissions limit equivalent to the statewide greenhouse gas emissions level in 1990 to be achieved by 2020 and to ensure that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level by 2030. The act requires the state board to adopt rules and regulations in an open public process to achieve the maximum technologically feasible and cost-effective greenhouse gas emissions reductions. This bill would require the state board to take specified actions and make specified findings prior to adopting a regulation under the act. The bill also would require the state board to take specified actions within 2 years of adopting a regulation under the act and to revise that regulation based on those specified actions. | |

| AB 1395 Chu D State highways: blight. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Existing law provides that the Department of Transportation has full possession and control of all state highways and associated property, and sets forth the powers and duties of the department with respect to the operation, maintenance, and improvement of state highways. This bill would state the intent of the Legislature to enact legislation to create a pilot project that consists of the Division of Maintenance of the Department of Transportation working with a local jurisdiction to effectively address blight on state highway property. | |
| AB 1418 O'Donnell D Freight transportation systems. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | The Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006 (Proposition 1B) created the Trade Corridors Improvement Fund and provided for allocation by the California Transportation Commission of \$2 billion in bond funds for infrastructure improvements on highway and rail corridors that have a high volume of freight movement and for specified categories of projects eligible to receive these funds. Existing law continues the Trade Corridors Improvement Fund in existence in order to receive revenues from sources other than the bond act for these purposes. Existing law requires the California Transportation Commission, in determining trade corridor improvements eligible for funding with these revenues, to consult various plans, including the State Air Resources Board's Sustainable Freight Strategy. This bill would state the intent of the Legislature to enact legislation ensuring and promoting the competitiveness of California's statewide and local freight transportation systems, including job growth, in a manner consistent with the goals of the Sustainable Freight Strategy. | |
| AB 1421 Dababneh D Intercity rail services: noise and vibration. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Existing law authorizes the Department of Transportation to contract with Amtrak for intercity rail passenger services and provides funding for these services from the Public Transportation Account. This bill would require the department to conduct a study to determine the noise and vibration levels, associated with the operation of state-funded intercity rail passenger services, that impact residential areas or schools along railroad lines where the department contracts for those services. | |

| AB 1427 Eggman D Metropolitan Transportation Commission. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Existing law designates the Metropolitan Transportation Commission (MTC) as the regional transportation planning agency for the 9-county San Francisco Bay area, with various powers and duties relative to transportation planning, programming, and funding. Existing law requires the California Transportation Commission, when allocating funds for construction on the state highway system within the region under the jurisdiction of the MTC, to conform to the regional transportation plan and the schedule of priorities adopted by the MTC, but authorizes the California Transportation Commission to deviate from the MTC's plan and schedule because of an overriding statewide interest. Existing law describes the authorized routes in the state highway system, which includes the routes in the interstate highway system in California. This bill would, in this regard, delete a specific reference to the interstate highway system and instead refer solely to the state highway system. | |
| AB 1442 Allen, Travis R Bonds: transportation: water projects. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Existing law, the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century, approved by the voters as Proposition 1A at the November 4, 2008, general election, provides for the issuance of general obligation bonds in the amount of \$9 billion for high-speed rail purposes and \$950 million for other related rail purposes. Article XVI of the California Constitution requires measures authorizing general obligation bonds to specify the single object or work to be funded by the bonds and further requires a bond act to be approved by a 2/3 vote of each house of the Legislature and a majority of the voters. This bill would state the intent of the Legislature to enact legislation to redirect the high-speed rail bond act funds to water projects. | |
| AB 1444 Baker R Livermore Amador Valley Transit Authority: demonstration project. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Existing law permits the operation of an autonomous vehicle on public roads for testing purposes if, among other requirements, a driver is seated in the driver's seat and is capable of taking immediate manual control of the vehicle in the event of an autonomous technology failure or other emergency. This bill would authorize the Livermore Amador Valley Transit Authority, in accordance with substantially similar conditions, to conduct a shared autonomous vehicle demonstration project for the testing of autonomous vehicles that do not have a driver seated in the driver's seat and are not equipped with a steering wheel, a brake pedal, or an accelerator, as specified. This bill contains other existing laws. | Watch |

| AB 1630 Bloom D California Transportation Plan: wildlife movement. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Existing law requires various transportation planning activities by state and regional agencies. Existing law provides for the Department of Transportation to prepare the California Transportation Plan for submission to the Governor and the Legislature and to complete the first update by December 31, 2015, and to update the plan every 5 years thereafter, as a long-range planning document that incorporates various elements and is consistent with specified expressions of legislative intent. The plan is required to consider various subject areas for the movement of people and freight, including environmental protection. This bill would add wildlife movement across transportation infrastructure to the subject areas that the plan is required to consider for the movement of people and freight. | Watch |
| AB 1635 Quirk-Silva D Public contracts: small business participation. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | The Small Business Procurement and Contract Act requires the Director of General Services and the heads of other state agencies that enter into contracts for the provision of goods, services, and information technology and for the construction of state facilities to establish goals for the participation of small businesses in these contracts, to provide for small business preference in the award of these contracts, to give special consideration and special assistance to small businesses, and, whenever possible, to make awards to small businesses, as specified. This bill would require all state agencies, departments, boards, and commissions to establish and achieve an annual goal of 25% small business participation in state procurements and contracts, to ensure that the state's procurement and contract processes are administered in order to meet or exceed the goal, and to report to the director statistics regarding small business participation in the agency's procurements and contracts. The bill would require the Department of General Services to monitor the progress of the agencies toward meeting the goal and to provide this information to the Office of Small Business Advocate. The bill would also require a state agency, department, board, or commission that has not achieved the goal by the close of the fiscal year to submit a corrective action plan to the department within 45 days. This bill contains other related provisions. | |

| AB 1640 Garcia, Eduardo D Transportation funding: low-income communities. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Existing law establishes the state transportation improvement program process, pursuant to which the California Transportation Commission generally programs and allocates available state and federal funds for transportation capital improvement projects, other than state highway rehabilitation and repair projects, over a multiyear period based on estimates of funds expected to be available. Existing law provides funding for these interregional and regional transportation capital improvement projects through the state transportation improvement program process, with 25% of funds available for interregional projects selected by the Department of Transportation through preparation of an interregional transportation improvement program and 75% for regional projects selected by transportation planning agencies through preparation of a regional transportation improvement program. Existing law requires each transportation planning agency, on a biennial basis, to prepare and submit to the commission a regional transportation improvement program containing transportation capital projects identified for funding through the next cycle of the 5-year state transportation improvement program. This bill would require, beginning January 1, 2020, each regional transportation improvement program to allocate a minimum of 25% of available funds to projects or programs that provide direct, meaningful, and assured benefits to low-income individuals who live in certain identified communities or to riders of transit service that connects low-income residents to critical amenities and services. The bill would require the department, in consultation with residents of low-income communities and specified state agencies, to adopt guidelines for this allocation no later than January 1, 2018, to define and map low-income communities that are disadvantaged with respect to transportation, to identify communities that would benefit from the allocation requirements, and to specify criteria for determining whether certain investments benefit low-income residents of the identified communities. The bill would require the department to provide financial support, upon appropriation by the Legislature, to low-income residents of low-income communities for specified purposes generally relating to enabling their participation in the development of these guidelines and the selection of transportation projects and programs. | |

May be heard in committee March 21. | Existing law provides various sources of funding for transportation purposes, including public transportation. This bill would state the intent of the Legislature to enact legislation to promote access to public transportation. | |
| AB 1658 Frazier D Open meetings. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | The Ralph M. Brown Act generally requires that the meetings of the legislative bodies of local agencies be conducted openly, with specified exceptions. The act authorizes a legislative body of a local agency to require that a copy of the act be given to each member of the legislative body and to any person elected to serve as a member of the legislative body who has not yet assumed the duties of the office. This bill would make a nonsubstantive change to that provision. | |
| AB 1684 Bloom D Joint highway districts. | 2/17/2017-A. PRINT 2/19/2017-From printer. May be heard in committee March 21. | Existing law authorizes the creation of joint highway districts to be composed of 2 or more counties for the purpose of improving public highways. Existing law authorizes the board of directors of a joint highway district to request the board of supervisors of a county within the district to condemn and acquire property or rights-of-way necessary for the projects of the district. This bill would make nonsubstantive changes to these provisions. | |
| ACA 3 Kiley R Elections: initiatives and referenda. | 1/19/2017-A. PRINT 1/20/2017-From printer. May be heard in committee February 19. | The California Constitution provides that the electors may propose a statute or an amendment to the California Constitution by initiative and approve or reject a statute by referendum. An initiative measure may be proposed by presenting to the Secretary of State a petition that sets forth the text of the proposed statute or amendment to the Constitution, and is certified to have been signed by the required number of electors, as prescribed. A referendum measure may be proposed by presenting to the Secretary of State a petition that sets forth the statute or part of the statute to be submitted to the electors, and is certified to have been signed by the required number of electors. Prior to the circulation of an initiative or referendum petition for signatures, the California Constitution requires that a copy of the petition be submitted to the Attorney General, who must prepare a title and summary of the measure. This measure would transfer from the Attorney General to the Legislative Analyst the duty of preparing the title and summary for a proposed initiative or referendum. | Watch |

| SB 1 Beall D Transportation funding. | 2/22/2017-S. GOV. & F. 2/22/2017-From committee: Do pass and re-refer to Com. on GOV. & F. (Ayes 4. Noes 2.) (February 22). Re-referred to Com. on GOV. & F. | (1)Existing law provides various sources of funding for transportation purposes, including funding for the state highway system and the local street and road system. These funding sources include, among others, fuel excise taxes, commercial vehicle weight fees, local transactions and use taxes, and federal funds. Existing law imposes certain registration fees on vehicles, with revenues from these fees deposited in the Motor Vehicle Account and used to fund the Department of Motor Vehicles and the Department of the California Highway Patrol. Existing law provides for the monthly transfer of excess balances in the Motor Vehicle Account to the State Highway Account. This bill would create the Road Maintenance and Rehabilitation Program to address deferred maintenance on the state highway system and the local street and road system. The bill would require the California Transportation Commission to adopt performance criteria, consistent with a specified asset management plan, to ensure efficient use of certain funds available for the program. The bill would provide for the deposit of various funds for the program in the Road Maintenance and Rehabilitation Account, which the bill would create in the State Transportation Fund, including revenues attributable to a \$0.12 per gallon increase, phased in over 3 years, in the motor vehicle fuel (gasoline) tax imposed by the bill with an inflation adjustment, as provided, an increase of \$38 in the annual vehicle registration fee with an inflation adjustment, as provided, a new \$100 annual vehicle registration fee with an inflation adjustment, as provided, applicable to zero-emission motor vehicles, as defined, and certain miscellaneous revenues described in (7) below that are not restricted as to expenditure by Article XIX of the California Constitution. This bill contains other related provisions and other existing laws. | Support |

| SB 20 Hill D Vehicles: buses: seatbelts. | 1/12/2017-S. T. & H. 2/15/2017-From committee with author's amendments. Read second time and amended. Re- referred to Com. on T. & H. | Existing law prohibits a person from operating a motor vehicle on a highway unless that person and all passengers 16 years of age or over are properly restrained by a safety belt. Existing law makes the violation of this provision an infraction. This bill would also require a passenger in a bus that is equipped with safety belts to be properly restrained by a safety belt. The bill would also require a bus operator to inform passengers of the requirement to wear a seatbelt and would authorize a bus driver to post, or allow to be posted, signs or placards informing passengers of the requirement to wear a seatbelt, as specified. The bill would make a violation of this provision an infraction punishable by a fine of not more than \$20 for a first offense and a fine of not more than \$50 for each subsequent offense. By creating a new crime, the bill would impose a state-mandated local program. The bill would specify that it does not apply to schoolbuses. This bill contains other related provisions and other existing laws. | |
| SB 21 Hill D Law enforcement agencies: surveillance: policies. | 1/12/2017-S. PUB. S. 1/12/2017-Referred to Coms. on PUB. S. and JUD. | Under existing law, a city or county is empowered to perform duties including providing for public safety and law enforcement. A city or county is authorized, either directly or indirectly, to prescribe policies and regulations for law enforcement agencies under its jurisdiction. This bill would, beginning July 1, 2018, require each law enforcement agency, as defined, to submit to its governing body at a noticed hearing, open to the public, a proposed plan for the use of all surveillance technology and the information collected, as specified. The bill would require that the law enforcement agency submit an amendment to the surveillance plan, pursuant to the same open meeting requirements, for each new type of surveillance technology sought to be used. This bill contains other related provisions and other existing laws. | |

| SB 22 Hill D Firearms: law enforcement agencies: agency firearm accounting. | 1/12/2017-S. PUB. S. 1/12/2017-Referred to Com. on PUB. S. | Existing law generally requires that a transaction involving a firearm be conducted through a licensed firearms dealer. This requirement does not apply under existing law to the sale or transfer of a firearm to an authorized law enforcement representative for exclusive use by that law enforcement agency if, prior to the transfer of the firearm, written authorization from the head of the agency is presented to the person from whom the transfer is being made. In these cases, existing law requires the firearm to be entered as an institutional weapon into the Automated Firearms System via the California Law Enforcement Telecommunications System. This bill would require a law enforcement agency, as defined, to adopt a written procedure to account for firearms that are owned, acquired, maintained, sold, loaned, lost, stolen, or in any way possessed by that agency or by an employee of that agency if used or carried for purposes of carrying out the official duties of his or her employment, as specified. The bill would require that the acquisition of firearms by an agency employee for use within the course of his or her employment be entered into the AFS, and would require that a record of firearms that are lost, stolen, or otherwise disposed of be entered into the AFS. By imposing additional duties on local law enforcement agencies, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. | |
| SB 53 Hueso D Natural gas vehicles. | 1/12/2017-S. T. & H. 1/12/2017-Referred to Com. on T. & H. | Existing state and federal law sets specified limits on the total gross weight imposed on the highway by any group of 2 or more consecutive axles. Existing federal law authorizes a vehicle operated by an engine fueled primarily by natural gas to exceed these weight limits, up to a specified maximum, by an amount equal to the difference between the weight of the vehicle attributable to the natural gas tank and fueling system carried by that vehicle and the weight of a comparable diesel tank and fueling system. This bill would authorize a vehicle operated by an engine fueled primarily by natural gas to exceed these weight limits, up to a specified maximum, by an amount equal to the difference between the weight of the vehicle attributable to the natural gas tank and fueling system carried by that vehicle and the weight of a comparable diesel tank and fueling system. | |

| SB 54 De León D Law enforcement: sharing data. | 1/31/2017-S. APPR. 1/31/2017-From committee: Do pass and re-refer to Com. on APPR. (Ayes 5. Noes 2.) (January 31). Re-referred to Com. on APPR. | Existing law provides that when there is reason to believe that a person arrested for a violation of specified controlled substance provisions may not be a citizen of the United States, the arresting agency shall notify the appropriate agency of the United States having charge of deportation matters. This bill would repeal those provisions. This bill contains other related provisions and other existing laws. | |
| SB 80 Wieckowski D California Environmental Quality Act: notices. | 1/19/2017-S. E.Q. 2/14/2017-From committee with author's amendments. Read second time and amended. Re- referred to Com. on EQ. | (1)The California Environmental Quality Act requires a lead agency, as defined, to prepare, or cause to be prepared, and certify the completion of, an environmental impact report on a project that it proposes to carry out or approve that may have a significant effect on the environment or to adopt a negative declaration if it finds that the project will not have that effect. CEQA also requires a lead agency to prepare a mitigated negative declaration for a project that may have a significant effect on the environment if revisions in the project would avoid or mitigate that effect and there is no substantial evidence that the project, as revised, would have a significant effect on the environment. The act requires the lead agency to mail certain notices to persons who have filed a written request for notices. The act provides that if the agency's offer to provide the notices by email, upon filing a written request for notices, a person may request that the notices be provided to him or her by email. This bill would require the lead agency to post those notices on the agency's Internet Web site. The bill would require the agency to offer to provide those notices by email. Because this bill would increase the level of service provided by a local agency, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. | |

| SB 137 Allen D Transit districts: ordinances. | 1/26/2017-S. T. & H. 1/26/2017-Referred to Com. on T. & H. | Existing law provides for the creation of the Southern California Rapid Transit District in and around the County of Los Angeles, with specified powers and duties relative to providing public transit service. Existing law requires an ordinance passed by the board of directors of the district to be published once within 15 days after passage in a newspaper of general circulation printed and published in the district. This bill would authorize the district to print and publish an ordinance in a newspaper of general circulation more than once within 15 days after passage. The bill would require the district to also make an ordinance available online on appropriate Internet Web sites within 15 days after passage. By requiring a local agency to perform an additional duty, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. | Watch |
| SB 145 Hill D Autonomous vehicles: testing on public roads. | 1/26/2017-S. T. & H. 1/26/2017-Referred to Com. on T. & H. | Existing law authorizes the operation of an autonomous vehicle on public roads for testing purposes by a driver who possesses the proper class of license for the type of vehicle operated if specified requirements are satisfied. Existing law prohibits the operation of an autonomous vehicle on public roads until the manufacturer submits an application to the Department of Motor Vehicles, as specified, and that application is approved. Existing law requires the department to notify the Legislature if it receives an application from a manufacturer seeking approval to operate an autonomous vehicle capable of operating without the presence of a driver inside the vehicle. Existing law prohibits such an application from becoming effective any sooner than 180 days after that application is submitted. This bill would repeal the requirement that the department notify the Legislature of receipt of an application seeking approval to operate an autonomous vehicle capable of operating without the presence of a driver inside the vehicle. The bill would also repeal the requirement that the approval of such an application not be effective any sooner than 180 days after the date the application is submitted. This bill contains other related provisions. | |

| SB 159 Allen D Arts Council. | 1/19/2017-S. RLS. 2/2/2017-Referred to Com. on RLS. | The Dixon-Zenovich-Maddy California Arts Act of 1975 establishes the Arts Council, consisting of 11 appointed members. The act specifies the duties of the council, including providing for the exhibition of art works in public buildings throughout California. This bill would additionally require the Arts Council to encourage the public exhibition of art works in both public and private spaces throughout California. | Watch |
| SB 163 Bradford D Elections: domicile: residence. | 2/2/2017-S. JUD. 2/2/2017-Referred to Coms. on JUD. and E. & C.A. | Existing law defines “residence” for voting purposes as a person’s domicile. Existing law describes the domicile of a person as that place in which his or her habitation is fixed, wherein the person has the intention of remaining, and to which, whenever he or she is absent, the person has the intention of returning. Existing law describes the residence of a person as that place in which the person’s habitation is fixed for some period of time, but wherein he or he does not have the intention of remaining. Existing law provides that a person may have only one domicile at a given time, but may have more than one residence. Existing law also provides that, for purposes of determining the domicile of a Member of the Legislature or a Representative in the Congress of the United States, it shall be conclusively presumed that the residence address indicated on that person’s currently filed affidavit of voter registration is that person’s domicile. This bill would provide that a person’s domicile or residence may also be the place in which the person has legal tenancy. This bill would define legal tenancy for voting purposes to mean a person’s right to possess or hold property, whether by lease or by title. This bill would provide that the conclusive presumption for determining a Member of the Legislature’s domicile applies if the person has legal tenancy at the residence address indicated on his or her affidavit of voter registration. | Watch |

| SB 194 Anderson R Probation: revocation: new period. | 2/9/2017-S. PUB. S. 2/9/2017-Referred to Com. on PUB. S. | Existing law allows an order revoking probation to be set aside for good cause before judgement has been pronounced. If probation has been revoked after judgment has been pronounced, existing law allows the judgment and the order which revoked the probation to be set aside within 30 days after the court has notice that the execution of the sentence has commenced. If an order setting aside the judgement, the revocation of probation, or both is made after the expiration of the probationary period, existing law allows the court to place the person on probation for that period and with those terms and conditions as it could have done immediately following conviction. This bill would allow the court to place the person on probation for a new period of probation with those terms and conditions as it could have done immediately following conviction whether the order setting aside the judgement, the revocation of probation, or both was made before or after the expiration of the probationary period. By increasing the duties of probation officers, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws. | Watch |
| SB 200 Morrell R Public employees' retirement benefits: final compensation. | 1/31/2017-S. RLS. 2/9/2017-Referred to Com. on RLS. | The California Public Employees' Pension Reform Act of 2013 (PEPRA), on and after January 1, 2013, requires a public retirement system, as defined, to modify its plan or plans to comply with the act and, among other provisions, establishes certain new retirement formulas that may not be exceeded by a public employer offering a defined benefit pension plan. This bill would make a nonsubstantive change to that provision. This bill contains other existing laws. | Watch |

| SB 251 Cannella R Autonomous vehicles: pilot project. | 2/16/2017-S. T. & H. 2/16/2017-Referred to Com. on T. & H. | Existing law permits the operation of an autonomous vehicle on public roads for testing purposes if, among other requirements, a driver is seated in the driver’s seat and is capable of taking immediate manual control of the vehicle in the event of an autonomous technology failure or other emergency. Notwithstanding these provisions, existing law, until 180 days after the operative date of regulations promulgated by the Department of Motor Vehicles to allow testing of autonomous vehicles without a driver in the vehicle, authorizes the Contra Costa Transportation Authority to conduct a pilot project for the testing of autonomous vehicles that do not have a driver seated in the driver’s seat and are not equipped with a steering wheel, a brake pedal, or an accelerator if the testing is conducted only at specified locations and the autonomous vehicle operates at speeds of less than 35 miles per hour, as provided. This bill would, until 180 days after the operative date of the above specified regulations, allow the County of Merced to conduct a pilot project for the testing of autonomous vehicles that do not have a driver seated in the driver’s seat and are not equipped with a steering wheel, a brake pedal, or an accelerator if the testing is conducted at the Castle Commerce Center. The bill would require the County of Merced or a private entity, or a combination of the two, to obtain an instrument of insurance, surety bond, or proof of self-insurance in an amount of \$5,000,000 prior to the start of testing of any autonomous vehicle on or across a public road and would require evidence of the insurance, surety bond, or proof of self-insurance to be provided to the Department of Motor Vehicles in the form and manner required by the department. The bill would require the County of Merced or a private entity, or a combination of the two, to provide the department with a detailed description of the testing program, as specified. The bill would require the operator of the autonomous vehicle technology to disclose what personal information concerning a pilot project participant is collected by an autonomous vehicle. The bill would allow the department to require data collection for evaluating the safety of the vehicles, as provided. | Watch |

| SB 263 Leyva D Climate Assistance Centers. | 2/16/2017-S. E.Q. 2/16/2017-Referred to Coms. on EQ. and N.R. & W. | Existing law creates the Transformative Climate Communities Program, which is administered by the Strategic Growth Council. Existing law requires the council to award competitive grants to specified eligible entities for the development and implementation of neighborhood-level transformative climate community plans that include greenhouse gas emissions reduction projects that provide local economic, environmental, and health benefits to disadvantaged communities, as defined. Existing law requires the California Environmental Protection Agency to provide assistance in performing outreach to disadvantaged communities and assessing the environmental justice benefits of project awards. This bill would require the council to establish no less than 10 regional climate assistance centers, equitably distributed across urban and rural areas of the state, to build the capacity of local community organizations, municipalities, and small businesses from disadvantaged communities to participate in state climate investment programs, as specified. The bill would require the council to allocate available moneys to community-based and nonprofit organizations to engage with climate assistance centers and conduct outreach in disadvantaged communities, as specified. The bill would authorize moneys from the Greenhouse Gas Reduction Fund to be available, upon appropriation, for allocation by the council for the purposes of the climate assistance centers. The bill would require the council to establish a state interagency working group, coordinated by the council and including specified state agency staff, to develop integrated outreach information on state climate investment programs and to coordinate outreach activities with the climate assistance centers. The bill would require the council and the state board to make a specified report to the Legislature. This bill contains other existing laws. | Watch |
| SB 264 Nguyen R High-occupancy toll lanes. | 2/8/2017-S. RLS. 2/16/2017-Referred to Com. on RLS. | Existing law provides that the Department of Transportation has full possession and control of the state highway system. Existing law authorizes a regional transportation agency or the department to apply to the California Transportation Commission to develop and operate high-occupancy toll (HOT) lanes or other toll facilities. Existing law defines "regional transportation agency" for these purposes to include, among other agencies, a county transportation commission established under the County Transportation Commissions Act. This bill would instead refer to a county transportation commission or authority established under that act. | Watch |

| SB 275 Portantino D Surplus residential property: State Route 710: property taxes: assessments. | 2/23/2017-S. T. & H. 2/23/2017-Referred to Coms. on T. & H. and GOV. & F. | Existing law declares the intent of the Legislature to preserve, upgrade, and expand the supply of housing to persons and families of low or moderate income through the sale of specified surplus residential property owned by public agencies. Existing law establishes priorities and procedures that any state agency disposing of that surplus residential property is required to follow. This bill would require surplus residential property purchased at an affordable price pursuant to the procedures described above to be assessed at its affordable price for property tax purposes. The bill would also require surplus residential property purchased at a reasonable price pursuant to the procedures described above to be assessed at its reasonable price for property tax purposes. The bill would provide that these provisions only apply to surplus residential properties for State Route 710, in Los Angeles County. This bill contains other related provisions and other existing laws. | |
| SB 337 Bates R Repatriation Infrastructure Fund. | 2/23/2017-S. GOV. & F. 2/23/2017-Referred to Coms. on GOV. & F. and T. & H. | Existing law provides various sources of funding for transportation purposes, including funding for the state highway system, the local street and road system, and public transportation. This bill, until July 1, 2025, would require the Department of Finance, in consultation with the Franchise Tax Board, to estimate, on an annual basis by November 1 of each year, the amount of revenue to be received from state taxes in the next fiscal year as a consequence of enactment of a federal corporate repatriation statute pursuant to which foreign earnings of United States-based corporations that are currently invested abroad are moved to the United States. This bill contains other related provisions. | |

| SB 387 Jackson D The False Claims Act. | 2/23/2017-S. JUD. 2/23/2017-Referred to Com. on JUD. | Existing law, the False Claims Act, provides that a person who commits any one of several enumerated acts relating to the submission to the state or a political subdivision of the state of a false claim for money, property, or services, as specified, shall be liable to the state or political subdivision for certain damages and a civil penalty. Existing federal law requires the Office of Inspector General, in consultation with the United States Attorney General, to determine whether a state has a false claims act that qualifies the state for a 10-percentage-point increase under the Social Security Act in the state's share of any amounts recovered under that law, by, among other things, imposing a civil penalty that is not less than the amount of the civil penalty authorized under the Federal False Claims Act. Existing federal law, the Federal Civil Penalties Inflation Adjustment Act of 1990, requires federal agencies to adjust the levels of civil monetary penalties for inflation to improve the effectiveness of civil monetary penalties and to maintain their deterrent effect. This bill would specify that the fines imposed for violation of the False Claims Act shall be imposed as adjusted by the Federal Civil Penalties Inflation Adjustment Act of 1990. | |
| SB 389 Roth D State highways. | 2/14/2017-S. RLS. 2/23/2017-Referred to Com. on RLS. | Existing law establishes the Department of Transportation and the California Transportation Commission and provides that the department has full possession and control of all state highways and all property and rights in property acquired for state highway purposes and authorizes and directs the department to lay out and construct all state highways between the termini designated by law and on the locations as determined by the commission. This bill would make technical, nonsubstantive changes to these provisions. | |
| SB 400 Portantino D City streets and highways. | 2/15/2017-S. RLS. 2/23/2017-Referred to Com. on RLS. | Existing law authorizes the legislative body of a city to do any and all things necessary to lay out, acquire, and construct any section or portion of any street or highway within its jurisdiction as a freeway and to make any existing street or highway a freeway. This bill would make nonsubstantive changes to this provision. | |

| SB 406 Leyva D Vehicles: high-occupancy vehicles. | 2/15/2017-S. RLS. 2/23/2017-Referred to Com. on RLS. | Existing federal law authorizes a state to allow the use of lanes designated for high-occupancy vehicles (HOVs) by specified vehicles that are not HOVs. Existing state law authorizes the Department of Transportation to designate certain lanes for the exclusive use of HOVs, which lanes may also be used by certain low-emission, hybrid, or alternative fuel vehicles not carrying the requisite number of passengers otherwise required for the use of an HOV lane, if the vehicle displays a valid identifier issued by the Department of Motor Vehicles (DMV). This bill would make a technical, nonsubstantive change to those provisions. | |

| SB 414 Vidak R Transportation bonds: highway, street, and road projects. | 2/23/2017-S. T. & H. 2/23/2017-Referred to Coms. on T. & H. and GOV. & F. | Existing law, the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century, approved by the voters as Proposition 1A at the November 4, 2008, general election, provides for the issuance of general obligation bonds in the amount of \$9 billion for high-speed rail purposes and \$950 million for other related rail purposes. Article XVI of the California Constitution requires measures authorizing general obligation bonds to specify the single object or work to be funded by the bonds and further requires a bond act to be approved by a 2/3 vote of each house of the Legislature and a majority of the voters. This bill would provide that no further bonds shall be sold for high-speed rail purposes pursuant to the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century, except as specifically provided with respect to an existing appropriation for high-speed rail purposes for early improvement projects in the Phase 1 blended system. The bill, subject to the above exception, would require redirection of the unspent proceeds from outstanding bonds issued and sold for other high-speed rail purposes prior to the effective date of these provisions, upon appropriation, for use in retiring the debt incurred from the issuance and sale of those outstanding bonds. The bill, subject to the above exception, would also require the net proceeds of bonds subsequently issued and sold under the high-speed rail portion of the bond act, upon appropriation, to be made available to the California Transportation Commission for allocation for repair and new construction projects on state highways and freeways, and to the Controller for apportionment to transportation projects or other infrastructure projects, as specified. The bill would make no changes to the authorization under the bond act for the issuance of \$950 million in bonds for rail purposes other than high-speed rail. These provisions would become effective only upon approval by the voters at the June 5, 2018, statewide primary election. | |

| SB 415 Vidak R High-speed rail: rights-of-way. | 2/23/2017-S. T. & H. 2/23/2017-Referred to Com. on T. & H. | Existing law creates the High-Speed Rail Authority with specified powers and duties relative to development and implementation of a high-speed train system, including the acquisition of property necessary for rights-of-way and the disposal of acquired property no longer necessary for that purpose. This bill would require the authority to make a good faith effort to sell or exchange real property or an interest in real property acquired by the state for high-speed rail purposes on or after January 1, 2018, within 3 years from the date of acquisition if the authority has not begun construction on the property or interest in the property within that 3-year period. For real property or an interest in real property acquired before January 1, 2018, the bill would require the authority to dispose of the property on or before January 1, 2021, or, for property subject to a lease as of January 1, 2018, within 3 years of the expiration of the lease, if the authority has not begun construction during those 3-year periods. | |
| SB 422 Wilk R Highways: separation-of-grade districts. | 2/15/2017-S. RLS. 2/23/2017-Referred to Com. on RLS. | Existing law provides for the formation of separation of grade districts and, upon the completion and formation of a district, requires the board of supervisors of the county in which the district is situated to appoint a commission with specified powers, including the power to lay out, establish, construct, and maintain projects for separation of grade by underpass, overpass, or tunnel, or any combination thereof, within the district and, for this purpose, to acquire, pay for, and hold real and personal property and rights-of-way within the district. This bill would make nonsubstantive changes to this provision. This bill contains other existing laws. | Sponsor |

| SB 513 Bradford D Assault and battery of a public utility worker. | 2/16/2017-S. RLS. 2/17/2017-From printer. May be acted upon on or after March 19. | Existing law makes assault punishable by a fine not exceeding \$1,000, or by imprisonment in the county jail not exceeding 6 months, or by both the fine and imprisonment. Existing law provides for higher fines and longer terms of imprisonment for assaults against specified individuals, including a peace officer engaged in the performance of his or her duties when the person committing the offense knows or reasonably should know that the victim is a peace officer. This bill would make assault of a utility worker, as defined, engaged in the performance of essential service, and the person committing the offense knows or reasonably should know that the victim is a utility worker engaged in the performance of essential service, punishable by a fine not exceeding \$2,000, or by imprisonment in the county jail not exceeding one year, or by both the fine and imprisonment. This bill contains other related provisions and other existing laws. | |
| SB 584 De León D California Renewables Portfolio Standard Program. | 2/17/2017-S. RLS. 2/21/2017-From printer. May be acted upon on or after March 23. | Under existing law, the Public Utilities Commission has regulatory authority over public utilities, including electrical corporations, while local publicly owned electric utilities, as defined, are under the direction of their governing boards. The California Renewables Portfolio Standard Program requires the Public Utilities Commission to establish a renewables portfolio standard requiring all retail sellers, as defined, to procure a minimum quantity of electricity products from eligible renewable energy resources, as defined, so that the total kilowatthours of those products sold to their retail end-use customers achieves 25% of retail sales by December 31, 2016, 33% by December 31, 2020, 40% by December 31, 2024, 45% by December 31, 2027, and 50% by December 31, 2030. The program additionally requires each local publicly owned electric utility, as defined, to procure a minimum quantity of electricity products from eligible renewable energy resources to achieve the procurement requirements established by the program. The Legislature has separately declared that its intent in implementing the program is to attain, among other targets for sale of eligible renewable resources, the target of 50% of total retail sales of electricity by December 31, 2030. This bill would revise those legislative findings and declarations to state that the goal of the program is to achieve that 50% target by December 31, 2025, and for all electricity sold at retail to be generated by eligible renewable energy resources by December 31, 2045. | |

| SB 591 Berryhill R Motor vehicle fuel tax. | 2/17/2017-S. RLS. 2/21/2017-From printer. May be acted upon on or after March 23. | The Motor Vehicle Fuel Tax Law imposes a tax upon each gallon of motor vehicle fuel removed from a refinery or terminal rack in this state, entered into this state, or sold in this state, at a specified rate per gallon.This bill would make a nonsubstantive change to this provision. | Watch |
| SB 594 Beall D Highway Users Tax Account. | 2/17/2017-S. RLS. 2/21/2017-From printer. May be acted upon on or after March 23. | Existing law authorizes the Controller to use the funds in the Highway Users Tax Account in the Transportation Tax Fund for cashflow loans to the General Fund.This bill would make nonsubstantive changes to these provisions. | Watch |
| SB 614 Hertzberg D Public transportation agencies: administrative penalties. | 2/17/2017-S. RLS. 2/21/2017-From printer. May be acted upon on or after March 23. | Existing law authorizes a public transportation agency to adopt and enforce an ordinance to impose and enforce civil administrative penalties for certain passenger misconduct on or in a transit facility or vehicle. Existing law requires these penalties to be deposited in the general fund of the county in which the citation is administered.This bill would instead require the penalties to be deposited with the public transportation agency that issued the citation. | |
| SB 639 Hertzberg D Use fuel taxes. | 2/17/2017-S. RLS. 2/21/2017-From printer. May be acted upon on or after March 23. | The Use Fuel Tax Law imposes a state excise tax at specified rates on the use of fuel, which includes any combustible gas or liquid of a kind used in an internal combustion engine for the generation of power to propel a motor vehicle on the highways, other than fuel subject to the Motor Vehicle Tax Law or the Diesel Fuel Tax Law.This bill would make a nonsubstantive change to this provision specifying those rates. | |

| SB 640 Hertzberg D Taxation. | 2/17/2017-S. RLS. 2/21/2017-From printer. May be acted upon on or after March 23. | Existing sales and use tax laws impose a tax on retailers measured by the gross receipts from the sale of tangible personal property sold at retail in this state, or on the storage, use, or other consumption in this state of tangible personal property purchased from a retailer for storage, use, or other consumption in this state. This bill would make legislative findings regarding responding to pending proposals for federal tax reform and California’s tax climate and would state that the intent of the bill is to make 3 changes to taxation within the state, including broadening the tax base by imposing a modest sales tax on services. This bill would also establish the Retail Sales Tax on Services Fund in the State Treasury and state the intent of the Legislature that moneys in the fund would be appropriated to, among other purposes, provide tax relief to middle- and low-income Californians to offset the effect of a sales tax on services. | |
| SB 711 Hill D Infrastructure finance: Local-State Sustainable Investment Incentive Program. | 2/17/2017-S. RLS. 2/21/2017-From printer. May be acted upon on or after March 23. | Existing law establishes in state government the Strategic Growth Council, which is responsible for taking various actions related to supporting the planning and development of sustainable communities, including actions to reduce greenhouse gas emissions, promote water conservation, reduce fuel consumption, encourage infill development, and revitalize urban centers. This bill, until January 1, 2025, would establish in state government the Local-State Sustainable Investment Incentive Program, which would be administered by the Strategic Growth Council. The bill would authorize cities, counties, city and counties, enhanced infrastructure financing districts, and community revitalization and investment authorities to apply to the Strategic Growth Council to participate in the program and would authorize the council to approve applications for projects meeting specific criteria on and after July 1, 2018. This bill contains other related provisions and other existing laws. | |

| SB 732 Stern D Transportation funding. | 2/17/2017-S. RLS. 2/21/2017-From printer. May be acted upon on or after March 23. | Existing law provides for loans of revenues from various transportation funds and accounts to the General Fund, with various repayment dates specified. This bill would require the Department of Finance, on or before March 1, 2018, to compute the amount of outstanding loans made from specified transportation funds. The bill would require the Department of Finance to prepare a loan repayment schedule and would require the outstanding loans to be repaid pursuant to that schedule, as prescribed. The bill would appropriate funds for that purpose from the Budget Stabilization Account. The bill would require the repaid funds to be transferred, pursuant to a specified formula, to cities and counties and to the Department of Transportation for maintenance of the state highway system and for purposes of the state highway operation and protection program. | |
| SB 760 Wiener D Transportation funding: active transportation: complete streets. | 2/17/2017-S. RLS. 2/21/2017-From printer. May be acted upon on or after March 23. | (1) Existing law establishes the Active Transportation Program in the Department of Transportation for the purpose of encouraging increased use of active modes of transportation, such as biking and walking, and declares the intent of the Legislature that the program achieve specific goals, including, among other things, increasing the proportion of trips accomplished by biking and walking and the safety and mobility for nonmotorized users. This bill would establish a Division of Active Transportation within the department and require that an undersecretary of the Transportation Agency be assigned to give attention to active transportation program matters to guide progress toward meeting the department's active transportation program goals and objectives. The bill would require the California Transportation Commission to give high priority to increasing safety for pedestrians and bicyclists and to the implementation of bicycle and pedestrian facilities. The bill would require, on or before January 1, 2018, the department to update the Highway Design Manual to incorporate the "complete streets" design concept, including, but not limited to, a specified guidance for selection of bicycle facilities. This bill contains other related provisions and other existing laws. | |

| SB 768 Allen D Transportation funds. | 2/17/2017-S. RLS. 2/21/2017-From printer. May be acted upon on or after March 23. | Existing law requires the Department of Transportation and the California Transportation Commission to develop estimates of available state and federal funds and provides that, after deducting expenditures for administration, operation, maintenance, local assistance, safety, rehabilitation, and certain environmental enhancement and mitigation expenditures, the remaining funds are to be available for capital improvement projects to be programmed in the State Transportation Improvement Program. This bill would make nonsubstantive changes to these provisions. | |
| SB 775 Wieckowski D California Global Warming Solutions Act of 2006: greenhouse gas emissions reduction. | 2/17/2017-S. RLS. 2/21/2017-From printer. May be acted upon on or after March 23. | The California Global Warming Solutions Act of 2006 designates the State Air Resources Board as the state agency charged with monitoring and regulating sources of emissions of greenhouse gases. The act requires the state board to consult with other states, the federal government, and other nations to identify the most effective strategies and methods to reduce greenhouse gases, manage greenhouse gas control programs, and facilitate the development of integrated and cost-effective regional, national, and international greenhouse gas reduction programs. This bill would require the state board also to consult with local agencies for these purposes. | |
| SCA 6 Wiener D Local transportation measures: special taxes: voter approval. | 2/23/2017-S. GOV. & F. 2/23/2017-Referred to Coms. on GOV. & F., T. & H., and RLS. | The California Constitution conditions the imposition of a special tax by a city, county, or special district upon the approval of 2/3 of the voters of the city, county, or special district voting on that tax, except that certain school entities may levy an ad valorem property tax for specified purposes with the approval of 55% of the voters within the jurisdiction of these entities. This measure would require that the imposition, extension, or increase of a special tax by a local government for the purpose of providing funding for transportation purposes, as specified, be submitted to the electorate and approved by 55% of the voters voting on the proposition. The measure would also make conforming and technical, nonsubstantive changes. | |
| SR 18 Cannella R Relative to Engineers Week. | 2/23/2017- S. ADOPTED 2/23/2017-Read. Adopted. (Ayes 40.
