

## ATTACHMENT C: GOVERNANCE ALTERNATIVES

Alternative	Summary	County	City of L.A.	Other 87 Cities	Gov. Appt. (Non-Voting)	Total
<b>Alt. A Flexible Appointments</b>	Opens each appointing body's seats to public members, while maintaining current board size. The County could designate the future elected County CEO as one of its five appointees. Metro could establish advisory criteria to guide selections.	5 of 9 seats: BOS members or public appointees, including potentially the future elected County CEO, as designated by the BOS	4 seats: Mayor or appointees may be a public member with relevant experience or expertise; as designated by the Mayor	4 seats: City Selection Committee appointees; may include public members rather than elected city officials	1 (Governor's appointee)	<b>14 (13 voting + 1 NV)</b>
<b>Alt. B Directly Elected Board</b>	Replaces the appointment-based structure with 13 members directly elected by voters from newly created geographic districts across LA County. Board members would be solely accountable to transit voters rather than to county or city appointing authorities.	13 directly elected members from newly designated countywide voting districts <i>(replaces all existing County, City of L.A., and Other Cities appointment tiers)</i>			1 (Governor's appointee)	<b>14 (13 voting + 1 NV)</b>
<b>Alt. C Non-Voting Rider Representative</b>	Adds one non-voting rider /community stakeholder representative to the Board, providing a consistent voice in deliberations, committee meetings, and public engagement.	5 of 9 seats: BOS members	4 seats: Mayor and/or appointees (per current PUC statute)	4 seats: City Selection Committee appointees (per current PUC statute)	1 (Governor's appointee)  <b>+ 1 Rider/Community Rep. (NV)</b>	<b>15 total (13 voting + 2 NV)</b>
<b>Alt. D Maintaining Board Appointments</b>	Supervisors would self-select and/or appoint the future elected County CEO to continue serving on the Metro Board, while maintaining current board size. All current appointment mechanisms remain intact.	5 of 9 BOS members or County CEO can serve as one of the 5 BOS seats, self-selected by the BOS following the 2032 expansion	4 seats: Mayor of L.A. plus 3 mayoral appointees (2 may be public members; 1 must be a City Council member) per current PUC statute	4 seats: City Selection Committee; one elected mayor or council member per geographic subregion, weighted by city population, per current PUC statute	1 (Governor's appointee)	<b>14 (13 voting + 1 NV)</b>
