

# EV Users are concentrated around the Westside, Central LA, and San Gabriel Valley

## Survey respondent home ZIP code

**Metro**

**Equity Focus Communities (green inset)**

An estimated **40-50% of respondents may live in Equity Focus Communities**, based on reported ZIP codes

The map displays the San Gabriel Mountains National Monument and surrounding areas, including Angeles National Forest, Sespe Condor Sanctuary, and Cleveland National Forest. The inset map shows the San Gabriel Mountains National Monument area with a green overlay indicating Equity Focus Communities. The inset map also shows the San Gabriel Mountains National Monument area with a green overlay indicating Equity Focus Communities.

# Metro®

1) ZIP codes and Equity Focus Communities use different boundaries without perfect alignment. The estimate above is based on a GIS analysis of overlap of the two geographical measures but may overestimate the true overlap.
