PUBLIC SAFETY SURGE UPDATE

In May 2024, Metro implemented a public safety surge of law enforcement, Metro Transit Security, contracted security, and Ambassadors.

- Contracted law enforcement partners have expanded their visible presence, primarily on the rail system.
- MTS is focusing on increasing its visible presence on the bus system. The surge is initially focusing on end-of-line offloading, based on feedback from union partners.

Agency	Category	5/20-5/26	5/27-6/2	6/3-6/9	6/10-6/16	6/17-6/23	Total to Date
LAPD	Crimes	48	95	114	100	90	447
	Arrests	112	132	177	140	117	678
LASD	Crimes	0	0	7	1	0	8
	Arrests	5	3	0	1	0	9
Contract Security	Crimes	22	29	26	0	0	77
	Arrests	11	0	0	0	6	17

Note: LBPD has not surged its presence pursuant to Motion 41, and thus generally reports no surge-related crime or arrest activity; however, they did report one instance of vandalism on June 21.

- As expected, this effort had a significant impact on the crime and arrest data during this month.
- The last two weeks of the May reporting period (May 19-June 1) show as much crime reported as the first three weeks (April 28-May 18), further illustrating the impact of the Surge.
