

### Narcan Data (December 2025)

MTS, LAPD, LASD, Contract Security, and Ambassadors are equipped with Narcan and administer it as needed to individuals experiencing symptoms of an overdose.

In December, Narcan incidents decreased by nine from the previous month to 11. Ambassadors reported four incidents, Contracted Security and LAPD reported three incidents, MTS reported one incident, and LASD reported no incidents. Seven of the Narcan incidents occurred on the B Line, two occurred at Union Station (not line-specific), and one occurred on the A and J Lines.
