Re: Outcomes from the June 15th, 2022 PSAC Meeting - Recommendations on Metro's Public Safety Ecosystem

During the June 15th, 2021 Public Safety Advisory Committee (PSAC) meeting, the advisory body held a vote to approve the following:

- A draft of [recommendations on PSAC's Vision of Metro's Public Safety Ecosystem](#)

Below is a summary of the committee action:

- PSAC voted to approve a [modified version of the recommendations on PSAC's Vision of Metro's Public Safety Ecosystem](#). The vote was 9 "yes" votes, 1 "no" vote, 1 "abstain" vote, and 3 absent members.
- The draft modifications made during the meeting are as follows (and highlighted in green in the document):
 1. In the "A Call for Systemic Change" paragraph, add additional context about the use of non-law enforcement public safety measures and their funding via the phasing out of Metro's law enforcement contracts.
 2. Under "Safety Infrastructure Improvements," add a recommendation calling for the continued deployment of Blue Light and Call Point infrastructure.
 3. Under "Centralize Communication Portals for the Public," add "resolve or contest citations" as one of the potential functions for this portal.
 - In this same paragraph, add context about the importance of including call-in functionality and not limiting access solely to online portal options.
