

Public Safety Advisory Committee Update

Metro Board of Directors

October 7, 2021

committee introductions

one-minute introductions:

share a bit about who you are
and your experience with Metro

committee feedback

it would be helpful for PSAC members to get an understanding of the board's perspective on the following:

priorities:

what should the committee focus on?

other important convos:

how should we tackle less urgent topics that are related to public safety?

centering community:

what should this group do to center the experiences of marginalized groups?

Metro

Q&A

**the committee welcomes your
questions and comments**
