Measure M Expenditure Plan Evaluation Methodology

The Measure M Expenditure Plan was screened with an initial two-step process for project eligibility based on the following criteria:

- Step 1: Does the project definition meet the eligibility requirements for INFRA? If yes, then proceed to Step 2. If no, eliminate from consideration
- <u>Step 2:</u> Does the project have a reasonable path forward to go to construction by INFRA's March 2023 construction start date requirement?
