

Paul Rajmaira

Paul Rajmaira is Commercial Manager on the LAX Automated People Mover (APM) project within Fluor's Infrastructure business line. The APM project is a \$2B lump-sum design-build public-private partnership (P3) that will connect the Los Angeles Airport central terminal area with two intermodal transit facilities and a consolidated rental car center. In his role, Paul oversees the Project Controls, Supply Chain, Finance, Document Control, and Information Technology functions.

Paul has 22 years of diverse experience in project management, operations, sales, contract management, finance, and risk management. His design-build and EPC experience spans the Energy & Chemicals, Operations & Maintenance, and Infrastructure businesses.

Prior to joining Fluor, Paul served in various roles overseeing shipboard operations and engineering as a surface warfare officer in the US Navy stationed in San Diego.

Paul has a bachelor's degree in Electrical Engineering from the United States Naval Academy and a MBA from the University of Illinois at Urbana-Champaign.

Paul and his family reside in Los Angeles, California. In their free time, they enjoy the outdoors, cooking, and traveling.
