<ul style="list-style-type: none"> <li>Inform Southern California residents about SoCal 511 services</li> <li>Increase general awareness and usership of SoCal 511</li> <li>Generate increased call volumes, website visits and app downloads</li> </ul>	<ul style="list-style-type: none"> <li>Programmatic display – website banner ads, Google paid search</li> <li>Out of Home – traditional/digital billboards and vehicle wraps</li> <li>Radio – Ad jingles in English in Spanish</li> </ul>	<ul style="list-style-type: none"> <li>Billboards – Targeted EFCs</li> <li>Vehicle Wraps – Active areas throughout Los Angeles County and at major events (i.e. Dodgers Opening Day)</li> <li>Radio Ads – FM radio and Spanish-speaking stations</li> </ul>

# FY24 LA SAFE Programs

- Continue operation and maintenance of the Kenneth Hahn Call Box System and SoCal 511 Traveler Information System
- Launch the updated SoCal 511 mobile application
- Expand SoCal 511 marketing efforts to include Spanish radio ads and billboards covering EFCs for both general public awareness and to promote improved services
  - SoCal 511 has experienced a 56% increase in usage in comparison to last year and is projected to reach 1.4M total usage by the end of FY23
- Improve the quality and availability of real-time information and services provided by SoCal 511
- Initiate a strategic reimagining of SoCal 511 in preparation for the 2028 Summer Olympics
- The FY24 budget supports the operation and maintenance of existing LA SAFE services and additional efforts to reach users in more geographic areas, while obtaining new user information to make program improvements that meet customer needs
