A. Small Business Participation

The Diversity and Economic Opportunity Department (DEOD) established a 24% Small Business Enterprise (SBE) and a 3% Disabled Veteran Business Enterprise (DVBE) goal for this Task Order Contract. Six (6) firms were selected as prime consultants (**M. Arthur Gensler Jr. & Associates; HDR Engineering; Jacobs/CH2M Hill; Mott MacDonald, LLC; STV Incorporated and WSP USA Inc**) and each firm met the 24% SBE and 3% DVBE goals for this Task Order Contract.

In response to a specific Task Order request with a defined scope of work, the prime consultants will be required to identify SBE and DVBE subcontractor activity and actual dollar value commitments for that Task Order. Overall SBE and DVBE achievement in meeting the commitments will be determined based on the cumulative SBE and DVBE participation of all Task Orders awarded to each prime consultant.

Metro Project Managers and Contract Administrators will work in conjunction with DEOD to ensure that each prime consultant is on schedule to meet or exceed its SBE and DVBE commitments. Accordingly, access has been provided to Metro’s tracking and monitoring system to key stakeholders over the contract to ensure that all parties are actively tracking Small Business progress.
