

Board Report

File #: 2019-0351, **File Type:** Motion / Motion Response

Agenda Number: 49.2

49.2 MOTION by Garcetti, Kuehl, Antonovich, Krekorian and Najarian that the Board direct the CEO to add a new "Multi-Year Subregional Program" in the Los Angeles County Transportation Expenditure Plan named "North San Fernando Valley Bus Rapid Transit Improvements" and provide for the following:

- A. Designate the "North San Fernando Valley Bus Rapid Transit Improvements" as a System Connectivity ("SC") sub-regional category;
- B. Funds for the North San Fernando Valley Bus Rapid Transit Improvement will be programmed from the System Connectivity portion of the Transit Construction subfund at \$180M under the "Measure_Funding 2015" for this program;
- C. A "Schedule of Funds Available" in Fiscal Year 2019 and a "Expected Opening Date" of Fiscal Year 2023;
- D. Designate the modal code for this program as a transit category, or "T";
- E. Add a footnote to state the following:
 - a. This project will increase system connectivity in the North San Fernando Valley and the Metro transit system. Environmental planning work shall begin no later than six months after passage of Measure _;
- F. Remove the North San Fernando Valley BRT project from footnote "m" (Line 39) as an eligible expenditure.
