**ISSUE**

In November of 1998, Los Angeles County voters passed the MTA Reform and Accountability Act of 1998. This Act requires the completion of an independent audit to determine compliance by LACMTA with the provisions of Propositions A and C since the effective dates of each ordinance through June 30, 1998, and then annual audits thereafter. The oversight process requires that an annual audit be conducted six months after the end of the fiscal year to determine compliance with the provisions of the Ordinances related to the receipt and expenditure of sales tax revenues during the fiscal year. The audit must be provided to the Oversight Committee so that the Oversight Committee can determine whether the LACMTA and local subrecipients have complied with the Proposition A and Proposition C requirements.

**DISCUSSION**

The following summarizes the independent auditor's report on Schedules of Revenues and Expenditures for Proposition A and Proposition C Special Revenue Funds:

Management Audit Services contracted with BCA to perform the independent audit of the LACMTA, as required by the Ordinances and the MTA Reform and Accountability Act of 1998. BCA conducted the audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that BCA plan and perform the audit to obtain reasonable assurance about whether the Schedules of Proposition A and Proposition C Revenues and Expenditures (Schedules) are free of material misstatement.

The auditors found that the Schedules referred to above present fairly, in all material respects, the Proposition A and Proposition C Revenues and Expenditures of LACMTA for the fiscal year ended June 30, 2020, in accordance with accounting principles generally accepted in the United States of America. The auditors also found that LACMTA complied, in all material respects, with the requirements of the Ordinances and the MTA Reform and Accountability Act of 1998 for the fiscal year ended June 30, 2020.

The following summarizes the independent auditor's reports on Compliance with Requirements Applicable to Proposition A and Proposition C Ordinances and Proposition A and Proposition C Local Return Guidelines:

Management Audit Services contracted with two firms, Vasquez and Company (Vasquez) and Simpson and Simpson, CPAs (Simpson and Simpson), to conduct the audits of Proposition A and Proposition C sales tax revenues used by the 88 cities (Cities) as well as the County of Los Angeles (County). These reports cover the audits of 39 Cities completed by Vasquez as listed in Attachment A; and audits of 49 Cities and the County completed by Simpson and Simpson as listed in Attachment B. The firms conducted the audit of compliance in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that the independent auditors plan and perform the audit to obtain reasonable assurance about whether noncompliance with the requirements in the Ordinances and the Proposition A and Proposition C Local Return Guidelines which could have a direct and material effect on the Proposition A and Proposition C Local Return program occurred.

Vasquez concluded that the Cities complied in all material respects, with the requirements in the Ordinances and the Proposition A and Proposition C Local Return Guidelines that are applicable to the Proposition A and Proposition C Local Return program for the fiscal year ended June 30, 2020. Vasquez found 21 instances of noncompliance, which are summarized in Schedule 2 of Attachment C.

Simpson and Simpson concluded that the Cities and County complied, in all material respects, with the requirements in the Ordinances and the Proposition A and Proposition C Local Return Guidelines that are applicable to the Proposition A and Proposition C Local Return program for the fiscal year ended June 30, 2020. Simpson and Simpson found 29 instances of noncompliance, which are

summarized in Schedule 2 of Attachment D.
