

Service Council Demographic Information

Council Region demographics in the following tables are taken from the 2023 American Community Survey; regional ridership is taken from the 2023 Metro Ridership Survey. Membership percentages are calculated using the nine seats of a fully-appointed Council; there is currently one additional vacancy on the Council.

Service Council membership as of July 1, 2026 with the appointment of the nominee is compared to the region's demographics and ridership below; the sex/gender composition for Los Angeles County is taken from 2022 Census Quick Facts. Census data includes a question intended to capture current sex; there are no questions about gender, sexual orientation, or sex at birth. This is denoted by an asterisk in the "non-binary/non-conforming" and "prefer to self-describe/decline to state" fields.
